### No One Ever Regrets Buying Quality

There is good, bad and indifferent in almost every line. Seeing ability is no exception. Very few children have poor vision to start with. Very few adults have good vision in later years without help.

Take good care of your vision while you have it to care for.

### HOW TO CHOOSE

### A CHRISTMAS CARD . .

that tells your friend you cared enough to send the very best

1. SEE OUR easy-to-select-from displays of many different Hallmark Cards at many different prices. Only by seeing a complete display can you be sure of finding the cards that best reflect your taste and individuality.
2. LET OUR reputation for quality and service stand back of your selection, along with the Hallmark name. Together, they assure you that the cards you choose are socially correct.
3. DO IT NOW—especially if you want your name imprinted on your cards. Even if you don't, you will have more time to choose . . . more cards to choose from . . . and more time to address, sign and mail.
