**STAYTON GYMNASIUM BURNS WEDNESDAY NIGHT**

The Stayton high school gymnasium building was completely destroyed by fire Wednesday night, along with all the school's athletic equipment. The blaze, which was attributed to either defective wiring or a water-heating plant, was discovered by the athletic coach at 6:30, but had gained such headway that all efforts to extinguish it were unavailing. Several nearby residences also caught fire, but these were saved by the Stayton firemen. The loss was tentatively estimated at approximately \$6,500.
