100-hp V8 has new super-lifted pistons, quiet three-blade fan, new "hushed" material timing gear and new camshaft design for extra quietness.

Push-button door handle anchored at both ends so you can't catch your sleeve.

95-hp six engine too—gives remarkable economy.

Compact "Fashion Car" gauges. Instruments, illuminated by soft, non-glare "black light", are grouped in a single large cluster for easy reading.

1950 Ford "Lifeguard" bodies have more strength with carefully planned application of sealing and insulation material throughout entire body.

Improved front suspension has new torsional stabilizer.

Smart hardware inside and out, designed for more than beauty.

New front seats with foam rubber cushions hold their shape.

King size brakes—35% less pedal pressure.

New baked-on color—your choice of 11.

New medallion—front and rear adds note of beauty.

There's a Ford in your future...with a future built in

# 50 WAYS NEW FORD for '50

The one fine car in the low-price field

White sidewall tires available at extra cost.

The 1950 Ford is 50 ways new and finer... from new heavier gauge steel frame and 13 way stronger "Lifeguard" body to new designed ceiling and seating for greater head room. New comfortable foam rubber front seat cushions, over new special non-

sagging springs. New richly colored upholstery fabrics. New push button door handles, new rotary secure door latches. Eleven brand-new baked-on enamel colors that keep their freshness because they're "built to live outdoors."

Just touch the latch of Ford's "Deep Deck" Luggage Locker—22.9 cu. ft. of usable space awaits any load you can muster. Just sit in the '50 Ford's luxurious new

interior that seats six big people—Ford has more hip and shoulder room than any car in its class. For an even bigger thrill drive this '50 Ford...the fine car in its field.
