LUTEFISK DINNER AT SILVERTON

A number of Norwegians and their friends from the Santiam canyon plan to attend the Lutfisk dinner at Trinity Lutheran church, Silverton on December 8 and 9. This is the first dinner headlining the Norwegian-prepared codfish which has been served at Trinity church since prior to the war. The women of the church plan to serve 800 pounds of the fish to 700 people (350) each night) this year. It is recalled that people from all up and down the Willamette valley came to the famous Silverton lutfisk dinners prior to the war. Miss Nettie Hatteberg, aid society president, and Mrs. Harlan Moe, Dorcas society president head the women of the church.

STORES GET NEW FRONT

William Hirling of McMinnville, owner of the building which houses Muir's Bakery, Stiffler's Appliance and the Nu Method Cleaners, has begun construction of a new front on the structure.

The high old "false front" has been torn down and a sloping roof will be built. The fronts of the bakery and the appliance store will be stuccoed with large plate glass panes installed. The bakery will use one large window for a baked goods display, and a 15-foot pane will give the appliance store a show window.

First apple crop report of which we have a record was made just 310 years ago on October 10, 1639, when "110 fair pippins" were picked from trees on Governor's Island in Boston Harbor. The trees are believed to be the first apple trees planted in the northwestern part of what is now the United States.

The tallest living tree in the U. S. is a California coast redwood, 364 feet tall, located on North Dyerville Flat, Humboldt State Redwood Park, California.
