After burying the family car three times Sunday in the soft snow, Mrs. A. R. Snyder decided she had forgotten how to drive in snow and left the car set in the garage for a spell.

The local fire department adds another feather to their cap. Called out about 9:30 p.m. Thursday too late to save the burning rooming house in Detroit, making the run in five minutes, by conservatively using their water supply they were able to save two building nearby.

Sol Tucker had his car slightly damaged last week when another car slid into his on the highway between Idanha and Detroit.

John Wiggins, Detroit grade school janitor, is recovering from leg injuries suffered when he was knocked down from a snowslide on the roof of the school Thursday.

The warm sun had loosened the snow, and Mr. Wiggins was caught in its path. He was badly shaken and will need a few days rest.

Mr. and Mrs. J. B. Gordon and family drove to Portland Wednesday for a few days visit with relatives. Mrs. Gordon underwent an operation for tonsil tissues which had grown in years after the initial operation.

Men were employed Saturday and part of Sunday scooping the snow off the large planer shed of Idanha Lumber company. Last years heavy snows had weakened the building and it was spreading.

While loading lumber Thursday James McKinney fell on a strip of ice, breaking a rib and injuring others. Two fingers were also hurt. He was treated by Dr. Wilcott and is improving satisfactorily. His small son, Denny also fell last week and cut his chin quite badly.

Mrs. Elbert Brown, who has been bedfast the past three weeks is able to be up part of the time. Mr. and Mrs. Nichols and son of Bend were Sunday visitors. Mrs. Nichols is Mr. Brown's daughter.

Mr. and Mrs. Henry Heibert took their son Harold to Dallas Monday for treatment. He has had a severe cold the past week.

Dr. Willcott who has been practicing out of Detroit has established his office in the first aid building. He will continue his private practice and represent the Industrial Insurance company.

Mrs. Gertrude Klane of Lincoln, Nebraska who has spent the past month with her daughter, Mrs. Warren Stoll and family left Friday with another daughter, Mrs. Charles Mohlers and family.

Jon Tucker was brought home Sunday evening from Salem hospital where he has been recovering from a leg fracture for the past ten days. His condition is good and the cast is to be removed the 15th of this month.

The Frank New family lost a friend Monday when their dog, Patty, was killed by a car on the highway in front of Girod's store.

Calvin Cannon came by bus Sunday morning from a five month

visit with his mother in Hatfield, Arkansas.

Milo Harris was brought home from a Burns hospital Monday night. He entered the hospital last Thursday to be treated for a 22 caliber Colt pistol wound self-inflicted on a hunting trip with friends that day. The two-car load hunting party were preparing to return home from a three-day rabbit hunt when the safety lock on Harris' gun was accidentally dislodged and the shot entered the calf of his leg, hitting and grooving the bone, partly circling it. His condition is painful but satisfactory.

Guests at the Frank New home Saturday night were Mr. and Mrs. Jerry Pittam, Mr. and Mrs. Carl Schaffer and Mr. and Mrs. A. R. Snyder.

Mr. and Mrs. Lawrence Alvin entertained Saturday night for Mr. and Mrs. Warren Stoll.

While playing basket ball Monday at school Donald Snyder slipped on the wet gym floor, fell and knocked himself out. He suffered no ill effects.

The Boy Scouts held their first meeting of the new year Monday night at the grade school auditorium. January meetings were canceled because of bad weather and road conditions. Plans are being made in preparation of the scout circus in Salem.
