planned to meet the highway commission on Tuesday, the commission's earlier decision in favor of the road did not deter the group's plan. They appeared before the commission as planned and expressed their heartfelt thanks. Commission members were astonished, stating that "thank you" was seldom heard in their vocation. No small amount of good will was established by the committee's action. Highway committee men present were Bill Hutcherson, chairman, Dave Reid, Lee Ross, Ned Richards, and Allen Keith. The work by this group is certainly to be praised, local citizens stated.

Credit was also given to Bob Veness who shared in the responsibility of organizing committee members from Prineville to Salem.

Other Projects Approved

Also approved in Monday's meeting was the appropriation of \$65,000 for oiling 2 1/2 miles of the Albany-Lyons highway. The oiling is to be done in the Scio-Thomas creek section.

Boy Scout Week February 6-12

The 40th anniversary of the Boy Scouts of America will be observed February 6th to 12th in every part of the nation by more than 2,300,000 boys and adult leaders. "Strengthen

Liberty" is the birthday theme. The Boy Scouts' "Crusade to Strengthen the Arm of Liberty" continues through 1950.

During Boy Scout Week, units will hold "Crusade Night" meetings when 1949 Crusade Awards will be presented. Representing the 12 Scout Regions, 12 outstanding Boy Scouts will make a "Report to the Nation" at Washington, D.C., where the Movement was incorporated February 8, 1910. They will also take part in an impressive ceremony at Independence Hall in Philadelphia.

The highlight of 1950 will be the Second National Jamboree which will see 40,000 Scouts and Leaders camping together at Valley Forge, Pa., from June 30 to July 6, including Scouts of other lands.

Fire Guts Detroit Rooming House

A rooming house, owned by Vern Franse of Detroit, burned to the ground last Thursday evening at an estimated loss of \$7000, and heavily damaged an adjoining home while firemen fought to keep the blaze from spreading to other nearby buildings.

The Idanha fire department appeared on the scene in a matter of minutes but the fire was not discovered in time to save the Franse building. Loss at the Earl Layman home next door was estimated at \$1500. Mongold firefighters also were at the conflagration and prevented the fire from spreading to the Cedar Tavern and Burts pool hall.

Nothing was saved from the rooming house and only part of the loss was covered by insurance. Cause of the fire was not determined.

Check Sheet for Farm Home Building Is Issued

Designed as a check sheet to use as an aid before buying, building or remodeling a farmhouse, a new Oregon State college extension mimeograph, number HE 7-302, entitled, "Is This a Good Farmhouse?" is now ready for distribution through county extension offices or from the college.

Written by Mrs. Margaret H. Tuller, extension rural housing specialist, the 13-page mimeograph can be used as a check sheet for judging either working drawings or an actual farmhouse.

Under such general headings as farmhouse size and shape, entrance locations, circulation, doors, arrangement, space has been left to make check marks under columns headed excellent, acceptable and poor. Detailed check questions are enumerated under each heading.

Pertinent check points are illustrated by drawings using a farmhouse plan service.

Morgan Files for Labor Commission

Howard Morgan, who represented Clackamas and Multnomah counties in the 1949 legislature, yesterday filed his candidacy for the democratic nomination as State Labor Commissioner. Morgan is now a resident of

Polk county, where he operates a large livestock ranch. Formerly a member of organized labor (AF of L), his term in the legislature was distinguished by a voting record rated perfect by the Oregon State Grange on farm issues, and by both the AF of L and CIO on labor issues.

Morgan is an overseas veteran of the recent war, serving four years as a Naval officer with two years of duty in the combat areas of both the Atlantic and south Pacific. He is 36 years old, is a graduate of Reed college (economics), has been married for ten years and has three children. He has had administrative as well as legislative experience in government.
