**FOX VALLEY**  
Mr. and Mrs. Putman who are living at the Apple Tree court have rented the Johnston house in Lyons and plan to move there at an early date. The Johnstons' are getting the house ready for the Putmans' to occupy. Ivie Putman is a teacher in the Marilinn grade school and wanted to locate a place nearer the school. The house is the place formerly occupied by Aunt Daisy Johnston for several years.  
Mr. and Mrs. Peterson who live at the Humphrey's place had their daughter and husband and two children, Mr. and Mrs. Jack Ingert of Portland as weekend guests.  
Mrs. Perry Clippell and new baby, as well as the rest of the family, are staying with the George Clippells at present.  
Mrs. Hugh Johnston and Mrs. Paul Johnston went to Crabtree to the sewing club extension meeting Wednesday. There have been several meetings for the sewing project and this weeks meeting is expected to be the last of the series. No meetings were held last week on account of the bad weather.  
Miss Jaunita Thomas spent the weekend at Canyonville, Oregon, where she visited at the home of a sister and family.  
The snow is fast disappearing after a continued rain through Tuesday night. Robins and Black birds are here, we hope spring is just around the corner.  
Mr. and Mrs. Roy West of South Salem were Tuesday callers at the Clifford West home here. They also visited at Mrs. West's brother, Arthur Morgans, on Lyons Route I near Mill City.  
Mr. and Mrs. Wallace Power are away on a trip to California, where they will spend sometime visiting a son and family at Glendale.  
Mr. and Mrs. Wallace Bevier and two sons were Thursday evening dinner guests at the home of Mr. and Mrs. Hugh Johnston.  
Mr. Walls and son of near Turner were business callers in our vicinity Saturday. The Walls have a nut and fruit farm at Turner and they sell lots of Berries of all kinds here in season as well as walnuts and apples in the fall and winter. Mr. Walls stated he was thinking of selling his fifty acre fruit farm and retiring to a smaller place with not quite so much work involved.  
The old red 8 corner barn on the Metzel place is a thing of past history since last Thursday afternoon when they finished tearing it down. The structure has been a landmark here for many years, and the corner looks queer with the building gone. Mr. and Mrs. Metzel plan to build a modern home on the site sometime in the future.  
Kenneth Johnston of Bremerton Washington was an over the weekend visitor at the Paul Johnston home.  
Mrs. Clifford West's home was the scene of a pleasant all day gathering of ladies (relatives of the Wests') Thursday of last week. A covered dish dinner was enjoyed at the noon hour and those present included, Mrs. Tava Dectz, Stayton; Mrs. Arthur Morgan, Mrs. Ray Morgan and small daughter Grace, of Lyons, Mrs. Herman Morgan and Mrs. Hargon and children of Lyons, and Mrs. West. The time was spent in visiting and embroidering tea towels for Mrs. West.

**DID YOU NOTICE**  
Did you notice last week that incorrect information was sent to the Enterprise. The rooming house destroyed by fire in Detroit was owned by Mr. and Mrs. A. Matttoon not Vern Franse as reported.  
Also in the "Voters Choose Idanha Council" Ted Gillispie should have been listed as a grocery store owner and Fred Andersen should have been given as being in the Cafe and Tavern business.  
Courtesy may begin at home, but it stops—too often—at the car door.  
Some folks never seem to realize that there is no reward for finding fault.

**LITTLE ILLS MAKE BIG BILLS!**  
True, that "little illness" you've been mentioning in an offhand way, may at first seem to amount to much—just a few faint symptoms. But, neglected, these "little ills" can lead to big bills for doctors, medicines, etc; not to mention needless suffering and loss of precious time. Consult a Doctor now—you'll save by it in the end. And, of course, we hope you'll bring his prescription to us for careful compounding.
