## Airport News

Flying will begin at the Davis airport by March 15th, Byron Davis and Ted Galbraith reported today. A contract for G. I. flight training has been applied for. While the results from the application will not be known until the last of this month it is believed the contract will be accepted in as much as the field meets all requirements.

The second annual Mill City Aviation Day will be held again in July. An air show will be the feature of the afternoon. The date for the breakfast hop has not yet been announced.

Ted Galbraith flew in from Scappoose on Monday.

Byron Davis had his plane up for the first time since the winter weather made flying nearly impossible. He reported the field to be in good shape.

Wayne Kerr was the first local flier to take off from Davis field since the heavy snows.

Al and Inez Haun plan to open the "Air Roost" as soon as flying starts in earnest.

## Record Size Cougar Shot Near Detroit

One of the biggest cougars to be killed in the canyon area was shot on Monday by cougar hunter Walter Ball of Detroit. The cat measured 9 feet 3 inches in length and weighed 180 pounds.

The hunt which took place near the Brettenbush river culminated about 5½ miles up that stream when the big cat was cornered but refused to be treed. As Ball's dogs moved in on the quarry the battle started and Ball's lead dog "Sailor" was seriously slashed. The dog is expected to recover.

The kill is the 5th of this season.

## Amity Five Eliminate Timberwolves

The Mill City Timberwolves lost to Amity, Thursday, on the Oregon College of Education floor at Monmouth, by a score of 42 to 34. This loss ruined the Wolves opportunity to go to the state championship meet at Astoria. Only the winner of the district tournament goes to Astoria. The loss meant the last basketball game of the season for the Timberwolves.

The Amity Warriors went into the lead early in the game and were never tied as they took the first quarter 15 to 4. During the second quarter Amity scored 11 points to Mill City's 3 to make the half-time score 26 to 7.

After the half-time intermission, Mill City bounced back and outscored Amity in the second half, but the Warriors lead was too great to overcome.

Amity Coach Matland Anderson's wards have won 11 and lost 3. Amity will now play the winners of one of the other three games played Thursday afternoon and evening.

Line-ups were:

<b>Mill City (34)</b>	<b>Amity (42)</b>
Thornley	F Jerry Case
Leo Poole	F Jack Williams
Ollie Muise	C N. Nueman
Law. Poole	G Russ Taylor
Bob Baltimore	G Arvy Nelson
Verl Moberg	S Buck Dale

Officials: Howell and Bob Cody.

## Marion Lake Halts Plane Landings

Seaplane landings on Marion lake, located approximately seven miles from the Marion forks new fish hatchery will be prohibited effective June 1st of this year, Forest Supervisor J. R. Bruckart of the Willamette National Forest announced this week.

The lake which is relatively small has been the scene of plane landings in the past and has at times proved to be hazardous to those fishing on the lake.

Forest service roads come within two miles of the favorite fishing grounds and the rest of the journey must be made on foot.

Regulation U-6 under authority of which this action is taken reads as follows:

"Occupancy and use of the national forest lands shall be per-

mitted only upon compliance with reasonable conditions looking to the promotion of public health, welfare, safety, or convenience."

Notice of the regulation will be posted on the lake shores and in public places in that area, Bruckart said.

The good driver regulates his speed in accordance with the conditions of the road over which he is traveling.
