

An Easter party for the youngsters is fun for everybody, with saucy Easter bunnies, gay candy baskets and brilliantly colored Easter eggs to set a festive scene. For refreshment, birds' nest cakes made of meringue are a delicious accompaniment to the sparkling fruity strawberry orange punch served in a tall pitcher or punch bowl. This flavorful punch is inexpensive and easy to prepare with the new concentrated orange base which comes in handy-sized cans you can keep on your shelf. With water added, each small can of fruit base makes a full quart, and you get all the tangy, fresh fruit flavor without the fuss of straining or squeezing.
