Grange Holds Dinner, Dance

A dance and dinner was held by the Santiam Grange Friday night at the Grange hall near Mehama.

Nearly 100 members and friends were present for the evening's entertainment. Dancing was enjoyed by an orchestra and the Grange furnished dinner for the guests.

Tony Moravec, Grange master, stated they plan for a political rally at the next meeting. The rally is planned for candidates from both parties.

CHURCH VISIT PENITENTIARY

Several Mill City members of the state 90 and 9 men's organization of the Christian church were visitors at the state penal institution on Monday.

The members drove to Salem on Monday night to attend a regular business meeting at the First Christian Church and later were shown through the institution by the officials.

Mrs. Lula Collins and Mrs. Edmund Davis, the members present who had been in the club longest and Mrs. Burton and Mrs. Millsap, both outgoing officers were also presented corsages. Music was furnished by Mrs. Larry Shelton and Mrs. Millsap. Mrs. Burton and Mrs. Shelton assisted the hostess who served refreshments to those mentioned above and Mrs. Norman Garrison, Mrs. Laura Joaquin, Mrs. Kay McKarty, Mrs. Joe Joaquin, Mrs. A. D. Johnson, Mrs. Dale Stubbs, Mrs. L. Masoner, Mrs. O. T. Parker and Mrs. Ed Kadine.

History Of Gates Clubhouse Told

MRS. ALBERT MILLSAP Have you ever seen a dream walking? Well, you can see one rising, board by board, shingle by shingle—our dream of a club house—a club house which will house the Gates Womans club.

The building will also be a community house which can be used by other organizations in the community as a meeting place. It will be a dream house made possible by four long years of hard work by a handful of members of the Gates Womans club, who in spite of setbacks and discouragements, have kept doggedly on, accumulating a few dollars at a time toward their building fund.

The house has a floor space of 54 by 32 feet and is of frame construction with concrete foundation. The large recreation room will be centered by a fireplace with the walls finished in sheet rock above a wainscoting of combed plywood. Large windows on three sides give the room light and cheer. The club and dining room is included in an alcove at the west end of the house where a modern kitchen will be equipped with range, steam table and other conveniences. The plans call for men's and women's rest rooms, and a ladies' powder room, with lounging facilities.

The exterior is to be white with a red composition roof. A background of large fir trees adds much to the attractiveness of the site. Through the efforts of Tex Allen, approximately \$200.00 worth of top soil has been donated and delivered, with which to fill in and level the grounds for lawn and shrubbery.

The ladies of the club are deeply

Presbyterian Society Hear Southern Speaker Tuesday

Miss Dorothy Foster, instructor at the Cotton Plant Presbyterian academy in Arkansas, was guest speaker at the meeting of the mission group at the Mill City Presbyterian church on Tuesday.

Miss Foster, a negro, stated that the mission school has helped negro young people carve out their success in life. The first Presbyterian mission school was established in 1866 and has now grown to accommodate over 500,000 pupils.

The service was opened with congregational singing led by Mrs. Donald Sheythe; prayer, Mrs. Gladys Chance, vocal selections by the church trio, Mrs. D. B. Hill and Mrs. Trusk. The scripture was read by Mrs. James Swan.

Refreshments were served in the church recreation room after the meeting. Representatives were present from Mehama, Lyons, and Mill City.

Miss Foster spoke to the school children later in the afternoon.

Home Extensionist Meet at Lyons

The Home Extension unit held their meeting at the community club house Friday with an all-day meeting.

Plans were made for a cooked food sale to be held at the Brassfield store Saturday morning. The proceeds are to be used for a scholarship to send some 4-H club member to summer school at Corvallis this summer. A sack lunch was held at the noon hour. The project of the day was making lamp shades, with Mabel Downing and Helen Johnston, the project leaders. Those making lamp shades were Evelyn Julian, Garnett Bassett, Alice Huber, Margaret Kunkle, Helen Salchenberger, Gertrude Wiedman, Alta Bodeker, Mabel Downing, Virgene Scott, Betty Johnston, Bee Hiatt, Helen Johnston, Alice Elwood, Mrs. Crowell and Mrs. O'Neal and Rose Thayer of Stayton was a guest of the afternoon.

Those taking the rug making held a special meeting at the community club house Monday afternoon with Evelyn Julian, project leader.

Mrs. O. A. Jewell will be hostess for the meeting of the Women's Society of Christian Service, Tuesday afternoon, May 2. Mrs. Bartlett of the Chemawa Indian school will be the guest speaker of the afternoon, and will give a talk on Alaska.

grateful to all those who have helped them in any way; to Albert Millsap who started the ball rolling by donating a fractional acre for the building site; to Tex Allen, C.B.I. engineer who drew and donated the complete plans for the building; to Warren Varcoe, C.B.I. engineer, who has planned and estimated the plumbing; to Ned Richards and Harold Wilson who will turn over a \$250.00 U. S. saving bond which was purchased from the sale of scrap iron during the war; to Harold Wilson who has also volunteered to dress the floors when finished and to the business men and individuals who have made cash donations to the fund.

The building fund was started in May 1946. The first money was earned by a group of younger members who, armed with rakes, spades and scythes, cleaned the Fairview cemetery and deposited the \$75.00 thus earned, as the initial contribution toward the fund. At the end of the first year the club had a bank balance of \$588.90. A second years effort increased the account to over a thousand. Thirteen hundred sixteen dollars had accumulated at the end of the third year, and this last year, \$556.59 was earned and added.

Most of this amount has gone for lumber, material and wages. We are starting the coming year with renewed interest, with fresh enthusiasm, and with a courage born of achievement.

BUILT LIKE A BATTLESHIP

It's Ford for big car comfort and roadability. Its low, box-section frame with five cross members gives extra strength and rigidity. The advanced engineering design provides low center of gravity and unusual stability.

BUT WRAPPED LIKE A GIFT

For the second year in a row, the New York Fashion Academy has awarded Ford its Gold Medal as "Fashion Car of the Year."

FORD IS THE BIG ECONOMY PACKAGE!

With its low first cost, low upkeep and high resale value, Ford is the new standard of value. And in the recent Mobilgas Grand Canyon Economy Run, officially supervised by AAA, a '50 Ford "Six" with Overdrive won the economy championship of its class—the 3 full-size cars in the low-price field.
