Outdoor Togs Faded? Dye-Bath Is Answer

You can easily get another season's wear from sun-faded shorts, slacks, blouses and other outdoor wearables. A few dime boxes of all-fabric dye, available in 50 colors, will do the trick. If the fabric has faded unevenly or if you want an entirely different color, use fast-acting color remover first, advises Tintex Home Economics Bureau. Your washing machine is ideal for tinting, especially larger articles, such as slacks suits and dresses, the bureau points out.

Marion Forks

BY MRS. SCOTT YOUNG
An attempt was made to scale Mt. Jefferson this weekend. They reported 20 feet of snow yet at Jefferson park. The party started out Saturday night and drove part way up Pamela creek. After leaving the car they had snow all the way. The first night they made camp at Pamela and they went cross country up to Jefferson Park where they spent the second night. The wind blew a gale and it rained but they crossed on to the glacier but were unable to go further. Monday they started early and made Marion Forks by noon tired but very happy to be back where they felt safe again. It seems to have cured them of climbing early in the season. The lads were John C. Meyer of Eugene and Tom Temple of Lebanon and Wallace Owen of Eugene.
Mr. and Mrs. Walter Bell of Stayton on their return trip from the east coast tired but happy to be again in Oregon.
Bill Morgan, brother of Vern Morgan of Burns, Oregon, and party spent the holidays with the Vern Morgans here.
Mrs. Vern Morgan and Mrs. Scott Young spent a very enjoyable evening at the Ice Follies in Portland on Monday. They also visited with Mrs. J. W. Miles, wife of Colonel Miles who is now stationed in Okinawa.
