Mehama Couple Married in Lyons

The St. Patrick Catholic church in Lyons was the scene of a pretty summer wedding on last Saturday afternoon at 1 o'clock when Miss Evelyn Zolkoske, daughter of Mr. and Mrs. John Zolkoske of Mehama, became the bride of Raymond Adams, son of Mr. and Mrs. Ollie Adams also of Mehama. Rev. Father Schneider officiating with the altar banked with summer flowers.

The bride, beautiful in a white moire taffeta gown made by her aunt in Portland, carried a bouquet of gardenia and sweet peas. Her maid of honor was her sister Rosella, who wore blue taffeta. Bridesmaid was Miss Cleo Faye Adams, sister of the groom, who wore pink taffeta. John Toepfer stood as best man and Walter VanHandee was usher.

Mrs. Zolkoske chose a figured print dress for her daughter's wedding and Mrs. Adams attended her son's wedding in a blue suit.

A lovely reception was held following the ceremony at the community club house in Mehama. The young couple will live in Mehama, and he is employed at the George Mielke service station at Gates.

HAVE A BETTER KITCHEN

"I don't mind the housework so much, but golly how I hate to do the dishes!"

Now there's a homemaker's familiar complaint. And the manufacturers of kitchen equipment say that nine times out of ten it's a legitimate complaint. Their surveys show that fewer than 10 out of every 100 homes have kitchens with good dishwashing facilities.

Six Tons of Dishes

Researchers who have been working on the problem (and who say that the average homemaker washes more than six tons of dishes every year) have come up with an idea in "straightline" dishwashing. The ideal equipment for this easier way to do dishes is a modern double bowl cabinet sink, with a rinse spray and a supply of really hot water.

First, scrape the dishes (here's where an electric garbage disposer comes in handy) and stack them next to the right hand bowl. Fill the right bowl with hot sudsy water. Place a rubber covered dishdrainer on the left hand bowl. Glassware should be washed first, followed by silverware, plates and cups.

Use Rinse Spray
As the dishes are washed, transfer them to the draining basket which will hold all the dishes used by an average sized family at a meal. Use the rinse spray to thoroughly dose the dishes with steaming hot water, washing away the suds and residue. You can leave the dishes to drain and air dry or they can easily be polished with a towel. Stack dry dishes to left of the bowl. Presto! the job is done.

At "company time" when there are more dishes than usual, it is suggested that glasses and silverware be washed, rinsed, and immediately dried. In the meantime plates are placed in the washing bowl to be soaked. Then get on with the job and it's done quicker and easier than you can imagine.

Idanha Legion Auxiliary Holds Kidnapping Party

Mrs. Bernardine Stoll, past president of the American Legion Auxiliary, kidnapped sixteen members of that organization Thursday morning for a meeting and party in her home.

As she picked them up at their home in her car, a paper sack with feature holes cut into it was placed over their heads. All members went as were and at the Stoll home each was to identify those present. Jean Cannon and Mildred Oliver won cans of dog-food for the most correct identifications.

Committees were appointed to act for the installation of officers June 24. The Redmond installation team will officiate with the district president, Mrs. Gladys Bacon of Salem. Mrs. Stoll served her guests with coffee, cocoa and cookies.

Jack and Bill McClintock spent Sunday in Portland with their father Robert McClintock and at Boring with their sister Mrs. Virgil Austin and family.
