## Sportsman Club to Hold First Fall Meeting

Mehama — The North Santiam Sportsman's club will hold its first fall meeting Sept. 11 at the Legion hall in Stayton.

All members and friends are urged to be there to arouse interest in the club and its projects.

A club achievement, points out Jerry Coffman, is the fact that a 2 day antlerless deer season has been declared for this fall; also the Little Fork was stocked with several thousand legal size trout in the past year.

## Firemen Take CBI Swingsters

The Mill City Fireman threw cold water on any hot ideas the CBI Swingsters may have had about winning a Sunday afternoon softball game by applying the old whitewash to the tune of 14 to 2. Winning pitcher of the day was C. Stewart of the Fireman, who stingily gave up only 3 hits, and 2 runs, to give the smoke-eaters their third win against one reversal.

Culprit of the night was Ward of the Swingsters, who drove in their only two runs while collecting all of the safeties—three of them, while his mates went hitless. One of these was a very tidy homer in the final canto with a man on.

On the other side of the score card, however, were some equally nifty hitters, including M. Stewart, who got a 3-bagger in the 3rd inning, driving in three runs. Included in the festivities were sluggers Campbell and Armstrong, who hit homers for the winners. Armstrong, hefty catcher for the smoke-eaters, teed off for his in the fourth, while Campbell waited around until the seventh inning, when there was a team-mate, Bingham, on the sack to smash the small sphere into the wild blue yonder, ending a very nice ball game—for the Fireman!

Scoring: R E E  
Firemen 207 120 2-14 16 0  
Swingsters 000 000 2-2 3 2

Batteries: C. Stewart and Armstrong; Frenchy and Siler.

The Firemen are eagerly awaiting their coming tilt with the league leading Engineers on September 5. So come down and see this crucial game at the Mill City ball field.

## Kellys, Engineers Play 6-6 Tie

A costly dropped pop-fly in the last of the sixth inning gave the Kellys lumber mill softball team a 6-6 tie with the CBI Engineers Monday night. The game was called at the end of eight innings because of darkness.

The Kellys jumped into a quick lead in the opening frame as they pounded Engineer hurler Ed Yarnell for five hits and as many runs. After this, however, Kellys could only get three scattered hits off the left-hander.

The Engineers meanwhile got four unearned tallies in the second frame. With two outs Shortstop Myers bobbled Lent's infield roller and Bayless and Yarnell, who had walked, scored. Then followed successive walks to Gail Lowery and Pete Simbeni and a two-run double by Chet Ferguson.

The Engineers got their last two runs in the fourth on Gail Lowery's double, Simbeni's walk, and a single by Ferguson.

The Kellys got their tying run when, with Parker on second, the usually glue-fingered Gail Lowery dropped Walker's pop-up. Parker scoring. The Kellys had a chance to win it in the last of the eighth when Yarnell struck out Burt Boroughs with the bases full and two outs.

Lawrence Poole pitched the whole game for Kellys allowing but two earned runs.

The tie will be played off on the 18th of September. Ferguson with two for two paced the Engineers while Bob Baltimore got two for two for the Kellys.

Scoring: R E E  
Engineers 040 200 00-6 6 3  
Kellys 500 001 00-6 8 2

## Engineers Strengthen Lead With 15-1 Win

The CBI Engineers strengthened their lead in the Mill City softball league race as they walloped the Graveyarders, 15-1, Tuesday night. The Engineers pounded out 14 hits and took advantage of 14 Graveyard errors to beat "Wimpy" Carver who until recently was pitching for a Salem team. The Engineers failed to score in only one inning, the fifth as they chalked up their third win without a defeat in the city league.

Gail Lowery snapped out of his hitting slump by getting a perfect four for four at the plate. Pete Simbeni had a double and a pair of singles. Curt Jensen and Jim Lowery each had two for four.

Chet Ferguson, who in his last start fired a no-hitter against the Swingsters, again was stingy with the base-hits as the Graveyarders got but four hits off him.
