BRING OUR STATE UP-TO-DATE!

VOTE BALANCED PLAN 314 X YES!

Where would Oregon and the less populous Western states be today had not the U.S. Constitution wisely provided a national BALANCED PLAN, giving each state two senators and apportioning the House by population? The Oregon Balanced Plan follows the same time-tested American principle.

TAKE APPORTIONMENT OUT OF POLITICS

Don't be misled by special interests who hope to control the legislature for their own selfish ends. The Balanced Plan is endorsed by . . . Oregon Journal, Oregon Voter, Oregon Farm Bureau Federation, Young Republicans, League of Oregon Counties, Pomona Granges, Oregon Wheat Growers and forward-looking members of both major political parties.
