

The Man Who Says 'I Will'

He Is the Man Who Builds a Progressive Community

When human Lives are being lost and the health of his family and neighbors is endangered because of the lack of hospital accommodations, the "I WILL MAN" joins with other citizens in this united movement to obtain a modern, well-equipped hospital--HE CARES.

The "I WILL" Man

When the volunteer workers call on the "I WILL" man it is not necessary for them to "SELL" him on the need. He realizes the danger to his neighbor and his family. It is not a question of "YES" or "NO" but HOW MUCH he can subscribe in a sacrificial manner, to make possible the building of this MUCH NEEDED HOSPITAL.

Human Lives Will be Saved by the Men Who Say "I Will"
