DETROIT

By OPAL M. WHITE

December 17 at 7:30 has been the time selected for the Christmas program to be given by the Detroit Christian church. It will consist of numbers furnished by each class (i.e., number from each class) aside from some special singing, also two numbers furnished by the high school glee club, "Baby Divine" and "Star of the East". There will be a film strip in technicolor entitled "When the little camel knelt" also a movie in black and white, "The Nativity". There is no charge for this program and all are invited. It will be held in the church.

The joint dinner to be given for the Detroit and Idanha committee working for the Santiam hospital has been postponed until after the New Year since there seemed to be no available night which would be satisfactory to the entire group before that time. The time for the dinner will be announced later.

Visitors who came to Detroit on Tuesday night for the game were former high school students, Mr. and Mrs. Duane Willis and Cecil Willis, all of Willamina. Mrs. Willis is the former Betty Ketchum.

Anunsens Decorate Glass and Dishes

Fritz Anunsen, grocery manager of Golliets store, who likes to paint dishes, glassware, and pottery, finds this hobby especially useful at this season to style individual gifts for Christmas.

Decorations are drawn free hand by Fritz and colored by his wife, who also enjoys the hobby. At present the Anunsens are painting Christmas cards in their spare time. With four small youngsters, pre-school age, time is at a minimum except at night when the children are asleep.

After being painted the dishes are baked at 250 degrees for an hour until the paint fuses in a permanent design.

For party favors the Anunsens have painted names on cocktail glasses, baked them, and presented one to each guest.
