Here's Savory Beef Stew and Economy, Too

A few left-overs can be quickly transformed into something special — Savory Beef Stew. To make it, combine left-over beef with vegetables in a flavorful brown gravy and serve on flaky hot rice.

Savory Beef Stew

5 tablespoons butter	½ cup cooked peas
5 tablespoons flour	1 cup diced cooked beef
2½ teaspoons meat paste	1 package (1½ cups) pre-cooked rice
2½ cups hot vegetable liquid and water	1½ cups water
½ cup sliced cooked carrots	½ teaspoon salt
½ cup cooked small white onions	

Melt butter in saucepan. Add flour and stir until blended. Dissolve meat paste in hot vegetable liquid and water; add to flour mixture gradually. Bring slowly to a boil and cook until thickened, stirring constantly. Add cooked vegetables and meat; simmer 5 minutes.

Meanwhile, combine pre-cooked rice, water, and salt in saucepan. Mix just until all rice is moistened. Bring quickly to a boil over high heat, uncovered, fluffing rice gently once or twice with a fork. (Do not stir.) Cover and remove from heat. Let stand 10 minutes. Serve with the meat mixture. Makes 4 servings.
