C.B.I. Engineers Down Detroiters

The old faithful CBI Engineers started off the basketball season with a win over Detroit Wednesday evening by a score of 63-50 at the Gates gym.

The Engineers shoved off by getting a few quick baskets before Detroit could get up enough steam to maintain the pace. It was a 10-point deficit at the first quarter for Detroit and they never could catch up with the slow moving Engineers.

For the last three quarters, the teams matched practically point for point. At half time, the Engineers led 31-22.

Detroit's Fryer led all scorers with 19, but the Engineers' dependable Lowery and Yarnell had 18 and 17 respectively.

The game's summary is as follows:

Gates led all the way with Henness Cole, and Zeibert commanding the first half assault that ended 25-20.

Cole and Cline poured on the heat for the Pirates in the third canto to give Gates a comfortable lead of 39 to 25.

The tempo slowed early in the final heat as the Pirates attempted a ball control game, but the Timberwolves bounced back to outpoint their taller opponents, with Moberg and Baltimore providing the spark.

Cole easily paced the scorers with 18 counters, and was followed by Baltimore and Henness with 12 points and 11 points respectively.

Gates will host the return contest between Mill City and Gates.

The regular tournament game scheduled between Detroit and Mill City this week was postponed because of the accident Otto Russell was involved in one morning this week when he suffered a severe head injury.

Otto Russell Nets A Skull Fracture

Otto Russell netted himself a skull fracture this week when he jokingly skipped to a teetering stance atop the bumper of an acquaintance's car in Detroit.

Russell's head struck the hard surface of the roadway after he lost his balance when the driver of the car suddenly caused it to move as Russell remained playfully on the bumper.

Russell, proprietor of Detroit Tavern, attended in the ambulance by Mrs. Nick Feinfurter of Detroit, was taken first to Mill City for observation by Dr. Jack Reid and then to Salem Memorial hospital.

Recent reports indicate that Russell is still rather ill as a result of the severe injury to his head.
