LIBERTY"**
41st Anniversary 1951
BOY SCOUTS OF AMERICA

Official poster marking the 41st birthday.

President Truman will greet 12 outstanding Boy Scouts in the White House on Feb. 6 opening the 41st anniversary of the Boy Scouts of America. Boy Scout Week will be observed Feb. 6 to 12 in every part of the nation by more than 2,750,000 boys and adult leaders. "Strengthen Liberty" is the birthday theme.

At "birthday parties" during Boy Scout Week throughout the nation each member will pledge himself to the Scout Oath or Promise. In each community representatives of the churches, schools, government and business will observe the anniversary with their Scouts. At Unit "open house" parties, parents, relatives and members of the chartering institutions will hear a review of the year's program features, service projects and membership gains.

During Boy Scout Week members of the organization will develop window displays and demonstrations on civil defense and conservation. Each member will inspect his home to make certain no hazards exist. Surprise mobilizations will test Scout efficiency should emergencies arise. Since 1910 more than 17,500,000 boys and men have been identified with the Boy Scouts of America.
