Detroit Women Give Cooked Food Sale

The Detroit Women's Civic club met at the home of Margaret Rasnick on Wednesday evening, Feb. 17. Fifteen members were present.

The meeting was called to order by President Ruth Skidmore and minutes of the previous meeting were read. The club voted to have a program committee appointed and Mrs. Helvig, Mrs. Otis White, Mrs. Richardson, Mrs. Bruce Houck and Mrs. Lloyd Leach were selected by the president.

Discussion of various needs of the community were taken up. This has been a difficult time for the civic club. There has not been much in the way of a civic project for which the ladies could contribute.

It was decided, therefore, since the school is the one thing which will remain as it is that the club would do something for the betterment of the school. Numerous projects were discussed and the club finally decided to give a cooked food sale and with the profits buy dark curtains for the grade school gymnasium making the showing of movies accessible to all children in the school at one time rather than in small groups as is done under the present setup.

The date for this food sale will be announced later according to Zetta Schlador, chairman of the ways and means committee.

Mrs. Joe Wright gave a report on the library which is sponsored and maintained by the women's civic club. This library is located in the old grade school building on the high school grounds and there are many worthwhile books available.

A report of the Canyon Aid fund was given by Margaret Hintz who is the representative from the Women's Civic club, on the Canyon Aid, she has also been its very able secretary. Mrs. Hintz tendered her resignation on that evening and Mrs. Ella Johnson was appointed to take her place.

Refreshments were served by the hostesses Mrs. Margaret Rasnick and Lorraine Sophy. The next meeting will be held at Mongold, the Mongold women being hostesses at that time.
