Gates Shufflers Sting Opponents

The unpredictable Gates Richard's Tavernites lured Mill City Tavern shufflers into their web this week and stung them with a score of 247 to 213.

Last week shuffle team Lem Young-Percy Mulligan with a high score of 34 for the Gates' cause; Ed and Jennie Kesterson second place 33, and Orville Hayward-Gib Brosig third place 31 were unsuccessful in pucking Gates to a win over Mill City. This week Gates banner carriers moved down the jousting field to victory.

It is just possible that the change in things resulted because of the pretty display of femininity on the part of the Gates chorus-burlesque cheer leaders!

Be that as it may, Gates pucksters Vernon Schnetzky-Bob Morris spearheaded the drive that downed Mill City. The Schnetzky-Morris team laddled out 42 points. Bud Harper and Jerry Schulte did well indeed when they amassed 37 corners for Gates for second high. Somewhat lower on the number scale was Ruth Schnetzky and Carl Johnson in third place with 34 points.

Saddened, but not discouraged, are Mill City players Ernie and Marjorie Jose who shuffled out a 33 for high for Mill City. Cy Fluke and Roy Walker came in one point lower for second, and still one point lower for third with a 31 were Inez Haun and Modina Walker.

Possibly the Mill City shufflers were already on the river and stream banks fishing, since this game is the last one until after the fishing season shuffler enthusiasts indicate. Gates pucksters break off the league play with a light heart and a resolve we can do it again. Mill City isn't so sure.

P.T.A Dads Romp During Dad's Day

The Mill City PTA membership and guests were entertained and refreshed during the regular monthly meeting all because of the efforts of Good Old Dad, for it was Dad's night at the PTA.
