mass meeting in the Mayflower hall on Wednesday evening in the interest of the X-ray units, Mrs. Payne called for volunteers to represent the association. Mr. and Mrs. Sol Tucker and Mr. Otis White signified interest.

There being no more business the meeting was turned over to the program chairman who announced the yearly theme, "Citizenship begins in the Home," also the lesson topic for the meeting which was "How can citizenship be improved by the home."

The first three-minute speaker was Mrs. Alice Perkins, first and second grade teachers, who spoke on the topic "Improving citizenship in the school." The second speaker, Lewanne Manning, gave a three-minute talk on "How citizenship is improved in Scouting." The next speaker, a boy scout, Donald Snyder, spoke on the same subject from the boy scout angle. There were two more short talks on the subject "How the school has helped to improve my citizenship," by a grade school boy, Robert Lady, and a high school girl, Mary Gordon.

The topic for the evening was then presented by Dr. D. Ferguson of Mill City in an interesting 30-minute lecture wherein he pointed out how American homes is citizenship main bulwark and strength.

The meeting was concluded by a fifteen minute community sing led by Miss Kazi Inazuko who was accompanied by Mrs. Charles Hanan at the piano. Refreshments of lemon pie and coffee were furnished by the seventh grade mothers and served by room mothers, Mrs. Rhea Snyder and Mrs. Ellingson.

The second grade room, Mrs. Hoyt, teacher, received the prize for having the most mothers and fathers present at the meeting.

The Civil War developed an appetite for news among the people.
