DETROIT

By MRS. OPAL WHITE

The final day of school at Detroit high was celebrated by a picnic. Things started popping around 10 a.m. when the students left by bus for Breitenbush Springs. Games were played there until noon when a typical picnic lunch was provided by the various students. Potato salad, sandwiches, pie, pop and a variety of other food stuffs were on the menu. The hour following lunch was spent in games, walks through the woods, or just plain relaxation until the time arrived for swimming. Some thirty-five students and the teachers, Mr. White, Mrs. Charlene Hanan, Mr. Stanley Whipple and Miss Kazi Inuzuko were present for an enjoyable time, that is, if their weariness is any proof there must have been a very great deal of fun.

All four high school teachers have been rehired for the next year. Those residing in Portland and Milwaukie, respectively Miss Kazuko Inuzuko and Mr. Stanley Whipple, will attend Lewis and Clarke summer school this summer.

Returning school teachers who have signed contracts for the coming year are Mrs. William Cokenour, (who will teach as a substitute until attendance falls off in the late fall), Mrs. Alice Perkins, Mrs. Elsie Hoyt, Mrs. Nolan Rasnick, Mrs. Gladys Claxton, Mrs. Mildred Ray, Mrs. Al Warby has been newly selected for the seventh grade; and Miss Minnie B. Miller, who has taught for nine years in Lane county, but who has been visiting in Kansas and Arkansas for

HAVING BOILS
OR PIMPLES
DOES NOT PURIFY THE BLOOD

The old idea that boils and pimples are just "the badness coming out of the blood" is all a myth to medical men. Boils are caused by germ infections, and instead of purifying the blood, they contaminate it. The same is true of most pimples.
