MILL CITY
 The Art Robisons are back from their visit with relatives in eastern Oregon where they also hunted deer. The Mill City Garden club meets in the James Swan home during its next session. Maurie Bassett has abandoned his crutches and is now hobbling around because of his sprained ankle. Mr. and Mrs. L. C. White of Raymond, Wash., were over-night guests in the H. D. Pound home, Tuesday night. Miss Judith Hinz, daughter of Mr. and Mrs. Bob Hinz, is back at work again after an absence of four days. Miss Hinz was victimized by a bad cold. George Hall, the man who rode a wild dump truck down a steep bank of the North Santiam river on North River road, is out of the hospital and on his feet again. Hall, as yet, hasn't weathered all the "effects" of that experience, however. Rev. Wayne W. Watkins, pastor of the Mill City Community church left Monday on a 12-day trip to Long Beach, Calif. Reverend Watkins will attend the Community church convention in that city. Pastor Norris Thomas will take Reverend Watkins' pulpit the Sunday of his absence. Reverend Watkins will also visit relatives.

GATES

By MRS. ALBERT MILLSAP

Mr. and Mrs. Clyde Oliver are announcing the engagement of their daughter, Miss Jean Alene Oliver to Gilbert Lee Smith, son of Mr. and Mrs. C. M. Smith of Glen Lyn, Virginia. The wedding, which will be an event of November 11 will be held in the First Baptist church in Salem. Miss Oliver is a graduate of the Gates high school and has been employed in Salem for several years. The groom-to-be has just received his discharge from the US army where he served in Alaska. Following their marriage the couple will make their home in Virginia.

The Gates Home Extension Unit met last Tuesday, at the high school recreation rooms in an all day session. Mrs. Marjorie White and Mrs. June Burke, demonstration agents were present and demonstrated "step saving kitchens". A no-host luncheon was served at noon. Mrs. Floyd Volkel, chairman of the local unit presided at the business session. Mrs. Worthington, of Mongold was elected vice-chairman at this meeting. Committees for the year were appointed by the chair. The subject of the next meeting, which will be held in Mongold will be "Oregon Sweets"—Mrs. Worthington of Mongold and Mrs. Clarence Rush of Gates to be project leaders, demonstrating the use of Oregon grown products in the making of candy, and candied fruit and nuts. Each member will bring a sack lunch and coffee will be served by the Mongold ladies. This session will be held Tuesday, November 13, to start at 10:30 a.m. Those wishing to attend can contact Mrs. Volkel, who will arrange transportation. Attending the last meeting were three members from Mongold, whose names were unavailable, from Gates, Mrs. Volkel, Mrs. Clarence Rush, Mrs. Glen Hennes, Mrs. Elmer Klutke, Mrs. Burrel Cole, Mrs. Glen Hearing, Mrs. Charles Tucker and Mrs. White and Mrs. Burke of Salem.

Mr. and Mrs. Robert Wilson returned Thursday from Cut Bank, Mont., and stopped in Gates at the home of his parents, Mr. and Mrs. Harold Wilson to pick up their two sons before continuing on to Roseburg, their home. They had been in Montana for the past month at the home of his grandmother.

Mrs. Gwen Schaefer and family spent the weekend at Newport where they all dug clams.

Mr. and Mrs. Donald Carey of Stayton spent the weekend in Gates. Carey, his brother, Eugene Carey of Portland and Bill Miles of Silverton went doe hunting at Silver Lake and returned with three does. James

Carey, student at Willamette University, Salem was a weekend guest at his mother's home Mrs. Velma Carey. George Boone and grandson Orville Boone of Lakeview were house guests at the home of Mr. and Mrs. Dan

Morrison the past week, returning to their home Saturday. Mr. Boone is Mrs. Morrison's father. Mr. and Mrs. Frank Saunders of Salem were Gates visitors last Sunday at the homes of Mr. and Mrs. Joe

Joaquin and Mr. and Mrs. Glen Hearing. Mr. and Mrs. Saunders were former residents of Gates. Mrs. A. T. Barnhardt and Mrs. Glen Hearing spent Saturday shopping in Salem.

POWER STATION
TRANSMISSION LINES
SUBSTATION
DISTRIBUTION

It takes a lot of Equipment TO BRING YOU A KILOWATT HOUR!

At the flip of a switch, you are able to put a whole power system to work. It takes know-how to bring "Reddy-made" magic of electricity from the power station along transmission lines and through substations and distribution systems to your home. Behind that switch are huge generators, transformers, regulators, capacitors devices necessary for delivering electric power to you instantly. They are complex and costly pieces of equipment, yet today, your electric service costs the average family only a few pennies a day.
