Bless those veal and beef soup bones! And pamper them for best results. First brown in the oven with onion, carrots and celery leaves. Then simmer all slowly with peppercorns and other seasonings to make a superb stock.

Pin up your pockets, ladies! Big pockets are the highlight of many a new dress this Fall and if the dress is plain you'll want to accent the pocket with a big, beautiful pin.

Set off your Fall fruit salads with this gorgeous tasting real mayonnaise dressing. Gently combine real mayonnaise and whipped cream. Add a speck of confectioners' sugar. Then fold in chopped grapes and nuts.

To make good grooming easier for the youngsters, devote two pockets of the shoe bag to "sprucing up" material, one to shoe polish equipment, such as black and brown shoe polishes, a cleaning cloth and brush. In the other pocket goes a clothes brush.

When fresh parsley or celery leaves get that "tired look"—put them in a pan in a warm oven and dry out. Then store in tightly covered jars for soups, stews and gravies.

## Bible Reading, Prayer Unite The World

NASHVILLE, TENN.—When the famous cartoonist, Tom Little, learned that more than 50,000 churches distribute the English edition of The Upper Room and that, through its sixteen editions, the circulation is world-wide, he made the above drawing to show how Bible reading and prayer and meditation can draw the people of the world together.

The Upper Room in Japanese is the fastest growing of the foreign editions, although new editions in Europe are also reporting good progress. Through the pages of this devotional guide,

individuals and families share the same Bible reading, prayers, and meditations each day, not only in America, but around the world. The circulation of the English edition alone is believed to be the largest ever achieved by a religious periodical.

The new September-October issue carries meditations written by residents of 31 countries including Princess Wilhelmina, former queen of the Netherlands, and one Chinese who, since he wrote his meditation, has been liquidated by the Communists.
