Deanha PTA Meets At Detroit School

The Deanha Parent Teacher Association met in the Detroit grade school on last Thursday evening with a large attendance in spite of the bad road conditions, and the deep snow.

The meeting was called to order by the president, Mrs. Al Cokenour. Due to the resignation of the treasurer Ray Sophy, it became necessary to elect a successor. Mrs. Ray Sophy was elected treasurer for the remainder of the year.

Otis White, sup't of Detroit schools passed out sample ballots for the election to be held on next Monday evening from 8-9 at the high school for the purpose of deciding whether the school here shall be suspended and students transported to Mill City for the coming year or not. He explained that this does not have anything to do with consolidation but merely for the purpose of making it possible for Mill City to be able to plan and make up their budget for the ensuing year.

Mr. Gordon, clerk of the school board announced that while it had no particular bearing on the consolidation it would no doubt be a fair indication of what would be done then the consolidation question does come up.

Mr. White suggested that the P.T.A. sponsor a meeting in which this problem could be discussed so that none would come to the election without having first known something of the question and what it might lead to. Mrs. Cokenour asked Mr. White to appoint parents who would lead in the discussion of this topic. Mr. White suggested that since the American Problems class had been making a study of this subject at school that it would be interesting to hear their discussion.

Miss M. B. Miller's room won the monthly prize for having the largest number of parents present for the meeting.

At the close of the business meeting the remainder of the evening was turned over to Miss Kazl Inuzoko, program chairman. Mrs. Etta Mae Dettering was presented from the Marion county health office spoke on the subject of Health in relation to world democracy and peace. Two films were shown entitled: "So much for so little", and "How to catch a cold".

Al Warby's seventh grade students presented a skit which they had prepared themselves contrasting the modern school with the old time school of our grandparents day. The narrator for the skit was Eloise Anderson, the teacher in the modern school was Judy Haseman, and for the old time school was Donald Watkins. The program began with the flag salute led by Yvonne Mareks. Students of the two schools were represented by Brad Humphrey, Phyllis Ketchum, Dannie Bowers, Donald Johnson, Nona Benson, Rosalee Bowers, John Wallace, Phyllis Polk, Bruce Gordon, Michael Moore, Mike Howland, Leonard Snyder, and Leroy Holbert.
