## Girls Selling Candy For Camp Benefit

Camp Fire and Blue Bird girls are joining the Willamette area council in the sale of peanut brittle, February 15 to March 1, to raise money for their camp. This is a yearly sale and those who bought last year will remember how good the peanut brittle is.

Camp Kilowan is supported entirely through the donut and candy sales, and private donations. We, in Mill City did not join in the donut sale in October so we are anxious to make this an especially big sale.

We are proud of our camp and wish to keep it a first class camp. Camp Fire people point to Camp Kilowan as an outstanding example of a first class camp, established from private donations of work, land and materials. However, it takes funds to maintain and keep equipped and we would like to do our share.

Last year eleven girls from Mill City attended Camp Kilowan for one week each.
