

Timberwolves Romp O. S. D. 60 to 41

By DICK WILLIAMS
Friday, February 22, the Oregon School for Deaf met the local Wolves on the local floor to be defeated 60 to 41. Roy Chase started the scoring by scoring the first two points of the evening from the Timberwolves fast break. The fast break was effective the first time in the last three games. The Wolves score most of their points from this play. The green and gold led the first quarter count 15 to 8 and the half-time 29 to 16. The third quarter count also led by the Wolves was 39 to 29. Roy Chase lead the scoring with 17 points for Mill City. Bob Baltimore followed Chase with 15

points also for the Wolves. This was the Timberwolves last scheduled game of the season. Mill City ended the season with a second place tie with Gates. The Timberwolves will be at the county tournament play at Stayton, Thursday, February 28.

day night the Gates Pirates won a hard fought game with the local green-clad crew on the cracker-box floor at Gates' could and should have been dispensed with. This said floor has had quite a few players on it from Gates that were outstanding in this league or any other for that matter. It didn't seem to hinder them. In the first place the floor is brand new as of last summer, and secondly, the lighting and dressing rooms are quite adequate and modern. True the gym could be bigger, but Mill City doesn't exactly have a Gill coliseum. And pray tell does the grumble about the size of the floor mean, that's the reason for the loss? No, I think not as the Mill City fans are all quite familiar with the floor from previous games. The Mill City boys played a good game the other night, but Gates played a better one, and after all Gates only lost by three points on Mill City's own floor.

What gives Olympia constant purity?

Many years ago our founder discovered the subterranean wells at Tumwater which produce, now as then, a water of great purity and special brewing qualities... reason indeed why OLYMPIA is a beer of rare flavor and light, sparkling qualities.

up some darn good basketball ability along with it. Clothes may make a man, but it doesn't make the kind of ball player you were referring to. Better change those glasses with green-eyed monsters on them, to a pair with some red roses.

Articles like the afore-mentioned is one of the many reasons why Gates doesn't snuggle up to the idea of consolidation very well. We have feelings like anybody else, and a very great pride in our school. Our gym serves many organizations besides school activities, and usually it is used free of charge. There are a great many parents in this old world that wish they had a good building to channel their children's thoughts and actions into clear, competitive sports and activities.

I would still like to see Mill City go ahead and win the coveted league trophy but not if it necessitated Gates just giving Mill City the game on a platter. After all the best team should win the trophy. Here's to your success. Sincerely,
Carmen (Stafford) Barnhardt
