HERE'S ANOTHER WAY
Car-Saver Service
PROTECTS YOUR CAR

Low water level causes loss of power, and early failure

Corrosion robs your battery of its full power

80% of battery failures occur where emergency calls are required—protect against this inconvenience and expense. Our battery service includes maintaining proper water level—testing for condition—cleaning and complete inspection of terminals and cables.

This is a regular service that keeps your car running trouble-free and more economically. It is part of Car-Saver Service that reduces wear of vital parts and improves gasoline mileage.

Drive in and let us show you how our Car-Saver Service can make your car run better, longer.
