ELKHORN

Fishing season is here again. To believe it one had only to drive out along the Little North Fork Sunday where the road was lined with cars and the banks with fishermen. Alice Bickett, one of Elkhorn's youngest fishermen made a catch of three the first morning. Alice is very conscientious in her fishing and demands each fish be measured for legal size for she doesn't want to be picked up by that "cop".

Mrs. Carl Longmecker and Mrs. Louie Ray were Salem visitors Monday. They were accompanied by Mrs. Longmecker's son, Bob van Eaton, who had spent the weekend with his parents and was returning to Oakland where he is stationed with the Seabees.
