Twenty young people of the community attended the Youth Retreat at Silver Creek Falls Sunday under the leadership of Mrs. John Prideaux and Miss Norma Miller. They left Lyons at 7 o'clock and arrived at the falls for breakfast at 8, where they joined young people of neighboring churches.

Following breakfast Mrs. John Prideaux conducted a quite period of devotion and this was followed by group sharing through discussion. The song service was led by Sheldon Titus of Stayton. Miss Miller introduced George Mavrodes, a student from the Western Theological Baptist Seminary of Portland, who was the guest speaker and spoke to the group in an interesting manner about, "What It Means To Be a Christian."

A sack lunch was enjoyed at the noon hour, which was followed by a five-mile hike about the falls, soft ball, games and toasting of weiners and marshmallows.

Miss Vivian Boyce of Lyons, led the singing for the evening service and again Mr. Mavrodes spoke with many simple illustrations on the "Requirements for Christian Living." This is the third Christian community project planned by Miss Norma Miller of the Mari-Linn school. The other two events were skating parties at Albany which closed with devotions.

Garden Club Attends Lebanon Meeting

Mrs. A. N. Robeson, Mrs. H. D. Pound and Mrs. W. R. Olmstead, Mill City, Saturday morning, drove to Lebanon where they attended the Santiam district meeting of Federated Garden clubs.

About 90 ladies attended the all-day session; and heard reports regarding the year's club work. Those present learned many new ideas suitable for their local clubs. After the business of the convention was complete, a very nice program was presented by the hostess group. Mirl Vauter of Timberline Gardens of Waterloo and G. Baker of Gladland Acres, Lebanon, spoke on "Culture of Gladiolus".

Music for the Lebanon convention of the garden club district was furnished by the "Pinafours", a girl quartette of Lebanon high school; and reportedly the quartette was very nicely received.

Mrs. Frank, state president-elect, gave some interesting highlights on a recent trip to the national convention in Biloxi, Miss.

The ladies from this city expressed the feeling that the trip was well worth while and that they were disappointed that Mill City did not have more members present.

Lucky Twelvers Close In On Mrs. Millie Wood

The day was Thursday and the sun was high in the sky. As the sun passed behind a cloud eleven doors were seen to open and eleven furtive glances scoured the air. There were eleven quick scurrying movements towards Mrs. Millie Wood's door. Was it the FBI closing in, or the Vigilantes? No, this is the afternoon of the Lucky Twelvers' pinochle party.

After the gladiators had indulged in a delicious salmon salad prepared by Millie Wood—raw material furnished by Eddie Wood—the games began. When the dust had cleared Inez Teal had out-distanced all opponents to come in first. Thelma Otto had taken the pinochle prize and Edna Duval was still wondering what had happened. The meet was enhanced by Mrs. Jeannine Herzberg, an ancient member visiting.

The losers returned home licking their wounds and promising retribution next time, but a delightful time was enjoyed by all.

During the Sunday school hour on Mother's day at the Community church, a gift will be given to the oldest mother, the youngest mother, and the largest family present. At the evening service a musical pantomime will be presented.

Home, was shown by Rev. and Mrs. Streeter. Mrs. Herbert Schroeder led the group in a class study, and Mrs. Clayton Baltimore presided at the short business session. The May meeting will be held at the home of Mrs. O. M. Mikkelsen.
