Please forgive a few added pounds on Lucky Twelve club members this week for last Thursday was their 2nd anniversary. After a large piece of the two-candle cake loaded with ice cream, followed by a scramble for calorie charts, they are all on diets.

Before the refreshments, however, they took the wise precaution of taking their picture to record their present figures for posterity. They then adjourned to the card tables.

As they concluded it was found that Millie Wood topped the heap and that Rosella Haywood being too full of cake went home boobie. Marcie Peterson outwitted the others to take the pinocchio pot home.

As the time came to return home the Twelves were greeted at the door by their gracious hostess Mrs. Edna McCreary, who presented each with a 2nd anniversary gift, then booted them out the door!
