Summer Recreation Program Underway

The recreation program is going over with a bang. The first three days of the program saw 102 boys and girls taking advantage of varied programs including archery, badminton, tennis, little league baseball, ping pong, croquet, softball and horse-shoes.

Next week's schedule includes the following:
Mornings—all playground activities
Participants—all girls—and boys under 13.
Afternoons—arts and crafts—little league and junior baseball.
No restriction or age limits in the afternoons.
Miss Letha Thomas is in charge of arts and crafts and the girl's program, with Jim Hale in charge of boys' activities.
Last week saw the selection of Dick Crook, Ralph Jull, Maurice Bassett, and Mike O'Leary as playground assistants. Their assistance with little league aspirants has created much interest in the program. In the very near future a game with Stayton is contemplated under the lights.
