 Evening service 7:30 p.m.  
 Wednesday prayer meeting 7:30 p.m.  
 Phone 1906.  
 Rev. C. O. Tremain, Pastor

## Gates Bible School In National Contest

"Votes for Victory campaign" is the title of the summer contest that the Gates Community Church of Christ Bible school has entered. The contest emphasizes that moral victory over all kinds of sin can only be accomplished by Jesus Christ. Thus, every person is urged to attend Bible school during July and August especially and cast his ballot for victory.

The Bible school has divided into two opposing parties, the Northern and the Southern, with the river automatically being the boundary line. Murvon Haun and Patty Stewart are the nominees for president of the respective parties.

On the first Sunday the South took the lead and held it on the next Sunday also. The total for the two Sundays is 85, with the Southern party only one vote ahead, 23 to 22. The average for the two Sundays is 42½ which is 34% better than last year's average for the months of July. Attendance is expected to grow the rest of the summer. One Bible school in the contest has a 160% gain over last year's average.

The Gates Bible school is only one of the hundreds competing in the annual summer contest sponsored by the "Lookout" magazine. All are invited to attend the services and cast their ballot for victory. The losing party will treat the winners to a party at the conclusion of the contest.

## Congress Approves BPA Appropriation

Bonneville power administration appropriations approved by Congress for the new fiscal year beginning July 1, 1952, include \$27,470,000 for major 230,000-volt transmission grid facilities wholly or partially in the southwest area, and \$2,657,000 for area facilities serving key load centers, today announced W. E. Trommershausen, area manager.

Major construction activities will center on the two 230,000-volt transmission lines from McNary dam to the Portland and southern Oregon load centers, together with secondary facilities to serve key area load centers, said Trommershausen. Other transmission facilities will link Detroit dam with the Columbia river grid when initial generation is installed in the fall of 1953 at Detroit.

Appropriations for major 230,000-volt grid facilities include: McNary - Maupin - Detroit line and terminals, \$3,778,000. Detroit-Albany line, Detroit terminal and Albany substation additions, \$850,000. Detroit - Chemawa line, Chemawa substation and associated communications, \$1,760,000. Midway - Big Eddy - Maupin - Detroit line, \$360,000. Detroit-Alvey line, substation and communications facilities, \$409,000. Detroit substation additions, \$47,000. North Santiam Valley substation facilities, \$53,000.

## Gates Church Places Second in Contest

Tuesday night pastor Loren Swanson of the Gates Community Church of Christ was presented with a check for \$150 by Gilbert Christian, executive secretary for the Oregon Council of Churches. The church was entered in the second annual Town and Country Church Improvement contest which the Oregon Council sponsors. The awards are donated by the Sear's Roebuck Foundation.

The church is very happy for the award and the honor. It is largely due to the construction of their new sanctuary, but the award was based on improvement in three areas, (1) church buildings and equipment, (2) grounds, and (3) church and community service. "The church wishes to take this opportunity to thank all in the area and community who made this award possible by donating their time and money to the new building," said Pastor Swanson. He continued, "With God's help we shall continue to build and enlarge our community service program."

ship institute for town and country churches at Corvallis this week. They will report on the meeting next Sunday morning, using the theme of conference, "Rural Resources and Rural Resourcefulness."

Mrs. Norman Johnson and son Chris of Salem spent a couple of days this week at the home of her parents Mr. and Mrs. Alex Bodeker, while her husband who recently joined the state police is attending school in Corvallis.

Mr. and Mrs. Earl Thayer and Mr. and Mrs. Leo Cruson have returned home after a week's trip to California and into Mexico. While in California they visited Mrs. Cruson's brother in San Francisco. Mrs. Thayers uncle at Costa Meia, and Mr. Thayer's uncle at San Diego.

The Lyons Garden club held their meeting at the community club house Wednesday afternoon with Laura Neal the new president presiding with Frances Garsjo secretary, with Laura Neal and Nina O'Neil as hostesses.

Roll call was responded to by each member wearing a home made hat, made from flowers, a cooking utensil or something from the garden. Gertrude Weidman wore the pretty one and Anne Pietrok the funniest one. Plans were discussed for the fall garden show with date to be set later and Gladys Kuiken appointed general chairman. Plans were also made to attend the annual picnic held at Wilson park near Jordan with several joining clubs. Each committee of the month are to carry out the theme of the month. This month's theme was Independence Day. The center piece was a little log cabin with cattle grazing with a spring and a miniature Uncle Sam with the flag proudly flying representing the pioneer days of Lincoln. Present for the meeting were Gladys Kuiken, Anne Pietrok, Mattie Stout, Frances Garsjo, Gertrude Weidman, Bea Hiatt, Mary Fink, Garnett Bassett, Doris Roy and the hostess Laura Neal and Nina O'Neil.

For Guaranteed Cleaning it's the **NU-METHOD** 24-HOUR SERVICE Mill City Closes at 6 P.M.

## Best Chain Saw

## Payrolls HELP EVERYBODY

Payroll money circulates! It pays rent and taxes and buys groceries and insurance. It buys medical and dental care and supports churches and home industry. Nineteen percent of the money Mountain States Power takes in from the sale of its services is paid out as wages to its employees. The company's 1951 payroll amounted to \$3,826,000.— A steady year 'round payroll is another of the important community benefits provided by Mountain States Power.
