Lowly folding camp chair has been glamorized by Dorothy Draper, celebrated interior designer, by substituting her "Fazenda Lily" Schumacher print fabric for ordinary striped canvas with which inexpensive piece is equipped. Easy to do; only 2 yards of print material is required. Schumacher's now offers through interior decorators and leading stores all-weather-proofed printed materials for this "indoor-outdoor" purpose. So "sit pretty" on terrace, lawn or move inside on this "Cinderella" chair at modest cost. For how to make instructions write Schumachers, 60 West 40th Street, New York 18, N. Y.
