Auxiliary, Legion Installs Saturday

A business meeting of the American Legion Auxiliary was held Sept. 10th at the home of the new auxiliary president, Dolores Stewart. The auxiliary wishes to thank everyone who helped make the magazine drive a successful one, part of this amount will be paid to the Mill City recreational program.

The auxiliary is working toward a free coffee maker and would like everyone to turn in MJB coffee keys and the metal strip from the top of the can. Notices have been posted in the grocery stores about saving the MJB keys and we are now in need of 500 more strips before this coffee maker can be received free. It is a very handy appliance and the auxiliary has loaned it out to many worthwhile organizations—such as the Blood bank and the softball association, so we would be very glad to have help in obtaining this appliance. Remember to save RUMMAGE, get in touch with any of the members or call Ruth Stovall.

Saturday night will be joint installation for the new Legion and Auxiliary officers, Mount Angel will install. A potluck luncheon will be served and plans have been made to have an orchestra for dancing. All members are urged to attend and give our new officers a good start for the new year. Bring along a prospective member as we hope to have a large membership in 1953. Start saving for your dues as Ina Chase is the new membership chairman and will be calling for them soon. Armistice day is the date set for our membership quota and we are
