Fall Shuffleboard Season to Open

Mill City Tavern will be rocking Saturday night when shuffleboard artists vie in an elimination tournament. First prize is four fried chickens and second prize is two pounds of bacon. Saturday night's action is the opener on official shuffleboard play for this season.

North Santiam shuffleboard competition will assume a formal role as loose ends are tied together during a shuffleboard meeting Wednesday night, October 29, at Jerry's tavern in Gates. Byron Davis, secretary of the shuffleboard organization issued the call for the Wednesday organizational meet.

Fred Davie, chairman of the group, indicated that schedules, number of entries, and rules of play will be worked out at the Gates meet. It is expected that more teams will compete this year than last.

Mill City Tavern walked off with top honors last year. During tournament play, Mill City Tavern's shuffleboard team never lost a game, according to shuffleboard dopsters.

KEEP OREGON GREEN

What makes Olympia so different?

Surely you have noticed the difference in water... some may be too hard or soft, too acid or alkaline. Many are chemically treated.

The quality and character of OLYMPIA Beer are due not alone to premium ingredients, but also to the rare brewing water from our subterranean springs.

Timberwolves Lose To Jefferson Lions

By RICHARD LOVEL

The football game at Jefferson last Friday, October 10, was an even battle in the first half. The Lions made their touchdown in the first quarter on a pass from the fifty yard line. The Mill City Timberwolves tied the score in the second quarter by driving down to the 1-yard line. They scored with Bill Hoffman carrying the ball. LeRoy Podrabsky's smashing line drive which played a large part in getting them to scoring position failed on the conversion and the score stood at 6-6 for the rest of the first half.

The Timberwolves could not hold their line against Jefferson's husky farm boys and the Lions drove down to make a touchdown and again they missed the uprights of the goal posts in the try for extra point. The Mill City eleven bounced back to make another touchdown after driving down the field and being placed on the 1-foot line because of a 15-yard penalty against Jefferson. Two crushing line plays were stopped dead by a wall of Lions before Dick Kanoff sneaked through the end for the score. Podrabsky's drive carried him over for the extra point to put the Timberwolves ahead, 13-12. Immediately, however, the Lions climaxed the quarter by a 90-yard kick-off runback and an easily made conversion. The third quarter saw the score climb still higher in favor of the Jefferson Lions. They made a touchdown to put the score at 25-13 at which it stayed to the end of the game.

one seems to have trouble beating the unofficial champion, Elton Gregory.

The student body is again in its campaign for funds and when a member of the high school comes to your house to sell subscriptions to magazines remember that by subscribing you are paying no more than the regular cost and besides that you are helping the Mill City student body. The choice of magazines is great for this year they are selling both Crowell Collier and Curtis publications.

Mill City Hi-Lites

By RICHARD LOVEL

The Freshmen invited the student body to a party Tuesday night in the high school auditorium and recreation room. Everyone had lots of fun playing games and dancing. The dance music was from records bought with the Mill City PTA record fund.

Wednesday, two days before the football game with St. Boniface, the students paraded through the streets in another pep rally, even bigger than the last one, which was held before the Gervais-Mill City game. This time they were accompanied by the school band and they had a big truck full of students making loud noises with everything from pounding on old water tanks to beating on circular saws. Also they had the victory bell which was from the old grade school. They painted it gold and wrote "Mill City Timberwolves" on it in green letters. These are the school colors. Afterwards everyone went over to the school grounds and built a bon fire which was seen from Gates. It was closely watched by the Mill City Fire department.

Here we are at the end of the first six weeks of school, now is the time for the tests and report cards. The teachers are not surprised at the sudden efforts of the pupils.

Again ping pong is fast becoming the main occupation during noon lunch hour at Mill City high. During this time the ping pong table is crowded with players and spectators but every-
