If you are FOR

RICHER MILK . . . LOWER PRICES
vote **YES**

332 YES will restore competition and remove arbitrary limits on butterfat.

FREE ENTERPRISE
vote **YES**

332 YES will restore our declining dairy industry, allow it to grow with our population. Our supply of pure milk will increase.

FARM PRICE PROTECTION
vote **YES**

332 YES will protect farm prices, based on cost of milk production. No longer will producers have to take what is left after retail prices have been fixed and distributors have been guaranteed their profits.

If you are AGAINST

THE MILK CONTROL LAW
vote **YES**

332 YES will repeal all state controls except farmer price protection and butterfat labeling. Milk cleanliness is protected by special federal, state and city laws.

MILK DICTATORSHIP
vote **YES**

332 YES will remove these powers of the milk administrator—
—to dictate which farmers shall sell milk and how much.
—to say who shall engage in the milk business and where.
