

Detroit School Gives Thanksgiving Program

Detroit—A Thanksgiving program developing the theme "The Spirit of Thanksgiving" was presented Wednesday at 1 p.m. in the Detroit school gymnasium under the direction of Mrs. Mildred Ray.

The program included group singing, plays by the seventh and eighth grade students, an eighth grade choral reading, songs by the first grade children and a reading by Bruce Gordon.

The program was planned by the eighth grade to correlate with their studies in United States history as well as to give students and guests a glimpse of Thanksgiving tradition.
