**Coffman Heads North Santiam Sportsmen**

Jerry Coffman was re-elected for another term as president of the North Santiam Sportsmen's club in a fast moving election held in conjunction with the group's regular monthly meeting at the Stayton Legion hall Monday night.

All other offices of the organization were filled as the members voted unanimous ballots to the remainder of the slate of candidates submitted by the nominating committee. They are: Claude Phillips, vice president; Ed J. Bell, secretary-treasurer; two directors for one year terms, Harold Woddy and Ivan Smith; and two directors for two-year terms, Frank Schlies, and Ben Toepfer; and two for three-year terms, Dr. H. A. Beauchamp and Lyle Shelton.

Sparky Ditter walked away with the annual buck derby award for the heaviest blacktail deer. His winning entry had been weighed in at 200 pounds. Prize money claimed by Ditter was \$23.50.

The award for the heaviest mule deer went begging for lack of an entry. The average mule deer brought in this year was not a prize specimen, therefore none had been entered. It turned out though that any little dried up mule deer would have been a winner. Prize money for this classification, since not claimed, was voted into the building fund by the 50 members present.

Clark Walsh of the Oregon state game commission spoke to the group at considerable length on the subject of coming legislation of interest to sportsmen.

Although many of Walsh's statements were off the record as the plans were tentative, he did present some interesting comments.

One of the most startling from a fisherman's point of view is the fact that there are over 50 streams in the Willamette valley that would not have a drop of water in them if every water right holder took out all the water to which he is entitled under existing rights.

Other topics touched on were the need for some protection for the spawning beds of fish where gravel is being removed, clearing up some old out-moded laws, and a close study of the rights and uses of public lands now under the Taylor grazing lands setup.

Next meeting of the club will be at the Women clubhouse in Mehama on January 5. A potluck dinner will

**The DEBUNKER**  
By John Harvey Farbay, Ph.D.

Stars in the heavens are not pointed; they are round. Even the star of heraldry is not like the five-pointed star of the American flag—but has six points. The "stars" on the flag, with their straight angles and five points are, according to the rules of heraldry, "mulletts"—not stars. And the so-called "stripes" of the flag are really "bars" or "barrulets" in heraldry (the science of symbols). Thus, the American flag bears mulletts and barrulets rather than stars and stripes.

**Timberwolves Victors Over Gates Pirates**

By RICHARD LOVEL

The Mill City Timberwolves won their first basketball game of this season by trimming the Gates Pirates by a 53 to 39 score. It was a non-league game and was played at Gates last Tuesday night, December 2.

The high scorer of the game was Donald Bates of the Pirates. Bates made 17 points. The leading scorer on the Timberwolf team was Elton Gregory, who made 15 points.

Neither team got a substantial lead on the other, until in the fourth quarter, when the Timberwolves started a scoring spree that left Gates in the dust.

The Mill City junior varsity won the preliminary game from the Gates JV's.

Mill City—	Gates—
Chase (12)	F Bates (17)
Ward (3)	F Romey (7)
Gregory (15)	C Beamish (1)
Kanoff (10)	G Haun (6)
Hoffman (5)	G DeVine (6)
Brewer (4)	Barnhardt (1)
Carey (4)	Larson (1)
Verbeck	Butler
Misner	A. Vail
Melting	Evans

Officials: DeLorretto and Mull.

held in conjunction with the meeting and pictures of the Detroit dam project and the North Santiam canyon will be shown.

The report cards for the second six week came out last Wednesday. The students who made the honor roll are: Carol Andreassen, Dale Andreassen, Donna Bengston, Richard Lovel, Patricia Brown, Betty Lou Cree.

The basketball jamboree is this Saturday night. This jamboree is the only time that the cheer leaders get more attention than the teams on the floor for it is the night that the champion cheering section is chosen. It will be on December 6 in the new gymnasium of Jefferson high school. A trophy is awarded to the winners (the best cheering section) on a basis of spirit, sportsmanship and co-ordination. The order of the games is as follows: 7:30, Gervais vs. Sublimity; 8:00, Mill City vs. Oregon School for the Deaf; 8:30 Gates vs. Scio; 9:00, St. Paul vs. Jefferson; 9:30, Detroit vs. Chemawa.

Last year, when the price of admission for adults to the Mill City Theatre went up, the students of Mill City high school petitioned for student prices, lower than the regular adult price. Mr. Veness, the proprietor, agreed and said that there would be a student price if the students were quiet at the movies.

Now a new controversy has arisen. Mr. Veness finds that there is an abundance of noise at the theatre during movies. He blames this largely on some of the students and says that many of his customers have been driven away by this disturbance. He came to the school and told the student body that, for one month, there would be no student price. At the end of

this month of probation Mr. Veness will decide whether the students have earned student prices by silence at the movies. If the noise and annoyance continues, there will be no student price.

Mr. Veness named several other steps that he may have to take. One was to refuse to allow anyone under 18 years of age into the theatre unless they were with their parents and sat with them during the show. Another was to keep out all persons under 18 years of age.

This month will decide whether or not students will see shows at the Mill City Theatre for reduced prices in the future.

**Santiam Riders Plan Saddle Club Meet**

William Hutcheson, president of the Riders of the Santiam Saddle club, announces that the group will meet Tuesday, December 9, at 8 p.m. at the Gene Teague Chevrolet company offices in Stayton. All persons interested in riding are urged to attend.

Consideration will be given a proposal to change the club's headquarters to Stayton. It has been in the Mill City area up to this time.

**Timberwolves Clash With Detroit Tuesday**

By RICHARD LOVEL

The Mill City Timberwolves will play their first league game Tuesday night, December 9. This will also be the first home basketball game for the Timberwolves as it will be played in the Mill City high school gymnasium.

The team that they will play, Detroit, has a new coach this year. He is Francis Kettleton, who was the Chemawa coach last year. Detroit played the Salem sophomores and lost by only a small margin so the fans should see an exciting game.

The preliminary game between the junior varsities will start at 6:30 p.m. and the game between the varsities follows at 8:00 o'clock.
