Mill City Rooters Win Marion 'B' Jamboree

The annual Marion County "B" Jamboree was held last Saturday night, December 6. The purpose of the jamboree was to get all the teams in the league together so that the spectators could see them in action. All nine teams of the league were there and also, as a guest, Seio, which will be in this league next year.

All of the games were close except one, played between Mill City and O. S. D. The first game of the evening was between Gervais and Sublimity and ended with a 15 to 14 score in favor of Sublimity.

In the second game, Mill City showed that they are able to live up to their reputation as a team which is a threat to all others this year. They built up a sizeable lead in the first minutes of the game and they kept that lead to make a final score of 21 to 14.

Seio edged out Gates in the third game. The score was 11 to 9. Jefferson nosed St. Paul 15 to 13, and Detroit sneaked past Chemawa's early lead to win 12 to 9.

At the end of the games the football trophies were awarded to the best teams in this league this year. The school which rated first place by being undefeated in league play was Jefferson. In the runner-up position was Mill City with only one loss, which was to Jefferson.

Trophies were also awarded to the best cheering sections at the jamboree. Mill City won first place and Jefferson won second.

Tree Farming--

(Continued from Page 1)
select and cut their own trees for on-farm sales to dealers at prices varying from 10 cents for small trees up to \$1.50 for 10- to 12-foot trees, Goodmonson says. Some buyers are offering 50 cents a tree for field-run of cut trees picked up at the farm.

Trees should be carefully selected for size, crown density, shape, and fresh green color. Spindly, fast-growing trees will bring better returns if left for a timber crop. Trees should be cut as near the date of delivery as possible and stored in a damp shaded place.

Mill City To Play Chemawa Braves

On Friday night, December 19, the Mill City Timberwolves play their second home basketball game of the season. It will be a league game with the Chemawa Braves. In the Marion County "B" league jamboree Chemawa edged out the Gates Pirates. Gates

in a non-league game with the Timberwolves put up a good show, and it was a hard game until the last quarter. Chemawa, lost to Jefferson, a contender for first place, by only a small margin so this game ought to be a thriller. It will be played in the Mill City high school gymnasium.

Timberwolves' Next Two Games Away

Friday, December 12, the Mill City Timberwolves will go to Gervais to play their second league basketball game.

The following Tuesday, December 16, they go to Jefferson to play the Lions. Jefferson is a contender for league championship and this will be an important game for the Timberwolves.
