## Mill City Noses Jefferson Lions

By RICHARD LOVEL

The Mill City Timberwolves put the Jefferson Lions out of the three way tie for first place in the Marion County "B" league basketball game at Jefferson last Tuesday, December 16. This leaves Mill City tied only with Sublimity, both having three wins and no losses.

The Timberwolves had to work hard to win this game. The Lions ran close alongside of the Timberwolves for the whole game and part of the time Jefferson was ahead. Mill City had a scant 21 to 20 advantage at half-time. In the last seconds the Timberwolves dumped in 6 points to win the game 47 to 39.

In the preliminary game the Mill City junior varsity squeezed past the Jefferson JV's in an overtime game. In the last seconds, when Jefferson was ahead, Delmar Syverson of Mill City scored. When Jefferson took the ball out of bounds after the basket Syverson intercepted the throw-in with five seconds to go and made the basket needed to tie the game up. Mill City pulled ahead in the overtime to win the game 44 to 39.

## Mill City Hi-Lites

By RICHARD LOVEL

In last week's column I wrote that the Winter Prom, to be held Saturday night, December 20, was the Mill City high school winter prom. I extend my apologies to the Girls Athletic association for this mistake. The prom is the GAA Winter Prom and it is "strictly" invitational.

The Freshman basketball team dropped a game to Sublimity Frosh, 49 to 30.

The Juniors are rather disappointed because their class rings have not arrived. They were supposed to have been here by the 6th.

The Timberwolves play Chemawa on Friday night.

The students don't have to come back to school until next year after the Christmas vacation.
