Our Great America ☆ by Woody

There's plenty of room for improvement in this old world of ours. Of course, it is just about perfect from a structural standpoint. It spins through space with such mathematical precision that man can count days and months and years—and even print them on calendars without fear of error. But where life and people are concerned . . . even a child can see that things are pretty badly muddled. What of 1953? Will it bring a better world? Will there be more happiness and less sorrow . . . more love and less hatred . . . more good, less evil? Our world will always be what we are. Only as the lives of men change, can the life of the world improve. The Church is dedicated to building better lives. By religious education, by worship, by preaching the highest moral and spiritual standards, the Church can make a better you and a better me. There is no other way to a better world. The Church is the salvation of mankind.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his children. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
