THE KID ON THE BLOCK

THIS MAY LOOK like a pile of blocks to us. But, to the child architect, this is a skyscraper, a tunnel, a train or a bridge (depending on his whimsy). Playskool's brightly colored blocks are a guarantee of hours of creative fun through self-expression. It's the perfect gift for all-year-round enjoyment, since children never tire of exercising their imagination.

Mill City Legion Auxiliary
Plans to Raise Money

Mrs. Delores Stewart, president of the Mill City American Auxiliary is announcing the arrival of a shipment of vanilla that the auxiliary is planning to sell in order to raise money for some badly needed dishes at the Legion hall. All members are requested to call for their bottle as soon as possible so that it can be sold by February 2nd. This is the same brand sold last year and is very good.

The first meeting of the new year will be held on January 18th at the Legion hall. The membership is urged to turn out 100% and try to bring a guest who would like to join the local unit. New members are always welcome. Mrs. Stewart wishes to thank everyone who sent her cards and the unit for their gift while she was ill.

Portrait of a Soul

Did you think a soul was invisible? Did you even suspect that it was a theological concept that only ministers could understand?

Well, look into this boy's eyes! Do you see happiness... the certainty that life is full of beauty and truths? Do you see hope... the assurance that every tomorrow will be better than every today? Do you see courage... the fortitude that will look through defeat to victory? Do you see faith... the confidence that God hears, and knows, and cares, and helps?

You're looking into a soul! You're seeing the spark of Himself which God has put into every one of us. And you're seeing it still unblemished by the cares and disappointments of life.

You can see a soul through your own child's eyes. But unless you give that soul a chance to grow up with the body and mind that possesses it... soon you'll no longer see it in your child's eyes... and perhaps, someday, you'll no longer see it in his life.

The Church, through careful religious education, develops that spiritual inner-being which we call the soul. Your child deserves the advantage of the Church's instruction. And, in church worship, you will rediscover the beauty and strength of your own soul.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
