Mill City Hi-Lites

By RICHARD LOVEL

The students of Mill City high returned to the drudgery of school work after the two week vacation for the holidays. To dim the outlook of the students are those fateful semester exams looming in the near future. Most of them are glad to get back to school, though, and to return to the companionship and sports, etc.

To further brighten the fate of the students Mr. Veness returned the student body price of admission to the high school students of the canyon. December first, last year, he cancelled it because of disturbance by some students at shows.

The junior class is working on the theme for the Junior Prom. The committee is in charge of choosing the band, decorations, etc. The committee met Thursday.

The members of Mill City high school are deeply regretful because Mr. Hoeye is still sick and unable to teach school. Mr. Hoeye is a new teacher at Mill City and is the freshman class advisor.

The Mill City freshman basketball team beat the Cascade frosh in a game Thursday after school. The score was 44 to 36. Mr. Burton Burroughs is the coach of the freshman team in addition to the varsity. He is assisted by Mr. Henry Chaney who is primarily the coach of the junior varsity.
