## Timberwolves Face Gervais Here Friday

The Mill City Timberwolves, who lead the Marion County "B" league after their stunning defeat of Sublimity, will meet the Gervais Cougars on the Mill City floor next Friday, January 30. Gervais is now in a third place tie with Jefferson, each having seven wins and three losses.

Early in the season the Timberwolves downed Gervais on Gervais' own floor. The score was 52 to 45. But Gervais is a team which should be watched. They downed Jefferson, a school which gave Mill City a hard time.

Any way you look at it next Friday's game looks like a thriller in which both determined teams will show the crowd some red hot action.

## Shuffleboard League Passes Halfway Mark

Mill City Tavern on their home board, tangled with Jerry's tavern of Gates. Jerry's lost all three games to the Lucky Derbys, Friday.

Jerry's team believes their captain could have won the game if he had a ham or chicken for stakes. Jerry's captain seems to be a lucky winner in elimination games.

Rocky's of Scio played a league game at the Mill City tavern Sunday and gave up all three games to the Lucky Derbys. Rocky's put up a very close game, and it wasn't known whose game it was until the last put was shot. Rocky's, new-comers to the league, is a fighting team, league players are finding out.

Mill City tavern will have a try at up-setting the strong Meander Inn aggregation this Friday night on the Mill City tavern board.

The Davies tavern players allowed one point to The Lake players and thereby putting Davies and Mill City tavern in a tie for first place.

Results on Friday's play shows: Spillway 3 to Ken and Dell 1; Maples defaulted to Lyons; Rocky's 1 to Meander Inn 3; Falls 1 to The Lake 3; Jerry's 0 to Mill City tavern 4; and on Sunday Rocky's 0 to Mill City tavern 4.

## Mill City Hi-Lites

The students of Mill City high are nearing the end of the critical period of semester exams. The worrying students are promising themselves to do better next semester.

The juniors are now selling pop corn at the ball games.

The freshmen basketball team was defeated by the Stayton frosh in a basketball game after school Thursday. The score was 33-31.

The routine of exam week was broken up by a non-official basketball game last Wednesday night with, guess who, the faculty. After the girls were beaten by the teachers in volleyball the boys were beaten in a game that somewhat resembled basketball.

The main order of the game was to rough the opponent up when taking the ball away from him. The students and teachers both joined good-naturedly in the fun. The final score was: faculty 38, high school 36. But how could the students beat the teachers in exam week!

The occasion for these games was for the benefit of the March of Dimes.
