in which the restoration of the Jewish nation is predicted.

"A systematic study of these beautiful scenes and their place in Bible history was made by a group of ministers, college presidents, labor leaders, and many others on the tour of the Holy Land. Among those on the tour were Dr. Dan Poling and Victor Reuther. Dr. Howard M. LeSourd of Boston university directed the study group. They saw the world's newest

democracy struggling triumphantly with its many problems, and came back informed and eager to share their insight and experiences with their fellow Americans. Dr. Douglas, along with others of the study group, was entertained by the late President Chaim Weizman, our American Ambassador Mr. John McDonald, and many mayors of the different cities in Israel.

"Dr. Douglas has a very interesting approach to the study of these pictures about the land where Jesus lived."

Dr. Douglas is scheduled to speak and show a different set of pictures each night at 7:30 p.m. beginning Sunday, February 1 through February 5 at the church auditorium on N.E. Santiam boulevard in Mill City.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
