Parent-Teachers Honor Founders

A special Founders Day program Wednesday honored the women who started the national Parent-Teachers Association, as well as the past-presidents of the Mill City Parent-Teacher association.

The seventh grade Camp Fire Girls presented the Founders Day skit, and the sixth grade girls did the Mexican waltz in costume, under the direction of Mrs. Harry Dyhrman.

Mrs. Edith Mason, Mrs. Robert Venes, and Mrs. Kenneth Crosier each spoke briefly on what the local PTA has meant to the teachers, what this organization has accomplished locally, and what it may achieve in the future.

All agreed that the Mill City PTA has had an outstanding record of accomplishments for the 5½ years of its being, as they have equipped the patrol boys with raincoats, contributed some playground equipment, a movie screen and record player to the high school, auditorium drapes, steam table for the cafeteria, a heavy

duty mixer for the cafeteria, and most recently an audio-telephone system enabling ill or injured students to keep up with their classes.

They were responsible for having music in the school, for the kindergarten, and for the monthly teen canteen, as well as providing a distinctive and colorful International Progressive dinner which the whole community can enjoy, while benefitting the school in some way.

Mrs. Roger Nelson presented each of the three past presidents with a corsage. The nominating committee was selected, consisting of Howard Means, Mrs. Kenneth Crosier, and Mrs. Roger Nelson, who will present a slate of candidates for next year's offices at the March meeting.

Take your problems to church—millions leave them there.

A major mechanical feature of the 1953 Ford is the new "miracle ride" which Ford engineers describe as "smooth and easy, yet stable and controlled on all kinds of roads."

Twelve basic single-tone and 14 two-tone body colors are featured in the 1953 Ford passenger cars with harmonizing interior trim and new upholstery fabrics.

THE CHURCH AND THE COMMUNITY

The Church on the corner or at the crossroads stands for three of the most important phases of community life—the social, intellectual and spiritual development of its people.

Within its hallowed precincts the rich and the poor, the high and the low meet on common ground and learn to share each other's joys and sorrows. It is the social center of the community, where people learn to mingle and cooperate and be friendly.

The accumulated knowledge of past ages was preserved and transmitted to us by the Church and its religious institutions. The Church pioneered in modern education, built great colleges and universities, and works in full harmony with the schools in every community.

But the Church performs its highest and holiest mission in the realm of the spirit. All its other services are contributory to this supreme end, that it may teach men to know God and love and serve Him. It opens up a vast new world of faith and hope and joy.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
