

Canyon Avenue Parade

By DON PETERSON

The Mill City Lions club has started their annual search for talent for their spring show and again all who would be entertainers are urged to contact any member of the Lions club and secure a date for a tryout. Tryouts are being conducted every Monday evening at 8:15 in the Presbyterian recreation room after their regular dinner meetings. It doesn't make any difference what you can do, just come out and show what you can do. To make it easier to find members of the Lions club just look up Charles Kelly at the postoffice, George Veteto at the Nu-Method Cleaners, or Bob Veness at the theatre.

The profits of the annual talent show will be used to finish the Boy Scout cabin in the city park. It is hoped to raise enough this year to finish this building and have it ready for use of the Scouts as soon as possible.

It appears that we must start to shoot back at the Communists after the vicious attacks on our planes and the planes of Britain. The Communists will have to be shown that we are prepared and willing with arms and planes enough to fight back—Truman can be thanked for that bit of preparedness together with the progress in home preparedness such as power development and plane building.

Consider these strange facts about Joe McCarthy of Wisconsin: According to Drew Pearson's column, the Communist party went all-out to support McCarthy against LaFollette when he ran for the senate; McCarthy came to the assistance of Earl Browder before a senate committee; McCarthy's statement that the State department had over 200 Communists on its payroll, when possibly only one or two have ever been proved to be Communists; McCarthy's refusal to repeat charges of Communist affiliation outside of the senate hall without senatorial immunity; McCarthy's thought-controlling investigation of Communism in colleges. What do all these things add up to? Is he trying to be President or Dictator of these United States?

From Out of The Past

As Reported by LANCE SAILS

(Time, mid-summer 1973, the place: the luxurious cocktail lounge and Vista Room, The Hill House, Mill City, Ore.)

Suddenly the idea for this column came to me while I was interviewing three couples seated at a table overlooking the terrace, the river below and the park just across the river from this magnificent hotel.

My folks moved to Mill City in the early 1950's and although I had not intended to stay I took a job as reporter on this paper The Oregon Weekly (successor to The Mill City Enterprise)—just for the fun of it and the experience—and—well because I always had a bit of yen to write of the human side of the news.

All three couples were from the east and are registered at the hotel—now—though when they came in they only intended to pause for some food and rest a while.

It is what changed their mind to stay over that gave me the idea—and so this column is born! I hope you'll enjoy it.

Usually, a reporter asks the questions. This interview was different. They asked me.

They came over the Santiam Pass from Bend.

Their first question was "What are the church bells ringing for in the middle of the morning—we heard them in Detroit—at Gates—and we could hear them in Mill City as we approached."

I only wish my readers could have been with me to see the expression on their faces and heard the comments from each of them as I told the story—just as it was told to me when I first heard the bells—and inquired.

I told them that it was a custom that had been established sometime back to ring the bells up and down the canyon—for each birth—someone new and for a wedding—and for one who had departed—left us for good.

It seems like up here in the hills, people care—they really do.

To which one of the ladies remarked: "How quaint—but you know I like that—appeals to me—makes one feel like—well—like everybody cares."

"And that bridge across the river—tis painted gold. We've traveled all

Paul Cree Injured in Logging Accident

Paul Cree, 37, a resident here, now a logger in southern Oregon, suffered serious injuries last Thursday at 1 p.m. in a landslide near Sutherlin.

According to reports received from Mrs. Cree, who is with her husband, this is what happened: "After Paul finished his lunch he started to buck a log with a power saw and evidently the jar of the power saw jarred the rocks and earth loose and caused it and the log to slide into the ravine.

"There were no witnesses but the 'bull buck' noticed the power saw quit running and went over to see why and found the slide. He called the other loggers and they found Paul beneath a huge rock, dirt and other debris. They got him out and into an ambulance, taking him to the Douglas Community hospital at Roseburg. Doctors found he had a broken neck, broken ribs, broken right leg in the ankle joint, brain injury, had cut on his head and his whole body is just covered with bruises, scratches and cuts.

"The doctor drilled holes in Paul's skull and fit 'tongs' in with wires to hold his neck in place and then hang 20-pound weights on it. This will be on for three months and then he will be put in a cast. He will be in the hospital the biggest part of a year."

Mr. Cree's condition is still critical, but he is resting better. No visitors are allowed. Mr. and Mrs. Bert Turnidge are in Sutherlin with their daughter, Mrs. Paul Cree and her two children, Shirley and Bob.

Mr. and Mrs. George Cree, Paul's parents and Mr. and Mrs. Lowell Cree were called to Sutherlin.

Legion Auxiliary Notice

The American Legion Auxiliary president, Delores Stewart, reminds all Legion Auxiliary members that each should attend the meeting, March 16 at 8 p.m. at the Legion hall.

This meeting will honor Mrs. Eva Humphreys, district president of Stayton, who will visit. There will be a program after the meeting and potluck will be served.

Bank Robber Caught Here by Officers

Glen Roy Sulisky of Hermiston, alleged robber of the Mt. Angel bank, was captured by State Patrolman Lawrence Jack and Mill City Patrolman Bill Richards at a road block near Mill City at the "Shake Shack" on the North Santiam highway, at 7:55 p.m. Wednesday.

Sulisky had in his possession at the time he was arrested approximately \$18,000 in cash. He was alone in his 1950 tudor Ford sedan. Police say that Sulisky robbed the Mt. Angel bank Wednesday afternoon at about 3 p.m. He is 17 years old.

Oregon state police, FBI agents and local authorities close in on Sulisky at the time of his capture by Officers Jack and Richards. Sulisky was taken to Salem and lodged in the city jail for arrangement.

It is reported that Sulisky had spent some \$15 of his approximately \$18,000 loot.

Presbyterians Plan Missionary Visits

Through the months of March and April four Presbyterian missionaries will visit the Presbyterian churches in Mill City and Mehama. The first will be Rev. James McKaughan of

REV. JAMES MCKAUGHAN
Mexico who is coming Tuesday, March 17.

Reverend McKaughan is on furlough from Villahermosa Bible School in Mexico and from doing extensive evangelistic itineration throughout the country by airplane. Originally from California and a graduate of the San Francisco Theological Seminary at San Anselmo, Calif., he also served as student pastor at Calvary church, San Francisco.

After graduation he served as pastor at the Tutuilla Presbyterian church, Pendleton, before going to the mission field. At 4 p.m. on Tuesday he will hold an after-school assembly at the Presbyterian church for all the young people of the church and all other young people interested in missionary work.

At 7:30 he will speak at the Mill City Presbyterian church. The missionaries who will follow him will be Dr. Ralph Lewis from Peking, China. Dr. Lewis will speak at a "family night dinner," April 8, and will address students at school at a 1 p.m. assembly April 8 in Mill City.

Rev. Harry Rhoades from Korea will speak at a "family night dinner" at Mehama, April 23; and Rev. John Crothers from Andong, Korea, will speak at a 1 p.m. school assembly and a 6 p.m. "family night dinner" in Mill City on April 27.

Chuck's Shoe Repair Moving Next Week

Chuck's Shoe Shop in Mill City is expanding to new quarters sometime next week as soon as new quarters are ready for occupancy, according to Charles Umphress, proprietor.

Chuck's will move into the business space formerly occupied by the Mill City Cafe.

Umphress has operated his shoe shop for the past year or so in quarters located near Muir's bakery. Umphress states that his move to new quarters will enable the public quicker access to his business, since it will be close to the Mill City post office and the Mill City State Bank.

Timberwolves Lose Tournament To Jefferson

The Mill City Timberwolves wound up their 1952-53 basketball season by losing a heart-breaker game to Jefferson, who went on to take the B-2 tournament and the right to appear in the State B tournament this week. The local Timberwolves salvaged third place in the district 2-B tournament held at Willamette university in Salem on March 5, 6, and 7.

Thursday, the 5th, the Timberwolves eliminated Gervais from the tournament with a 48-36 score. This is the lowest number of points scored by the high-averaging Timberwolves this season. Elton Gregory, Mill City center, was high point man with 19 points. The next game that afternoon saw Jefferson eliminate Yamhill. Jefferson won second place in Marion B with 12 wins and 4 losses, two of which were to Mill City.

Thursday night Valselt eliminated Corbett and the Marion B third placers Sublimity, downed Colton in the most exciting game of the day.

Friday night the Timberwolves were upset by the Jefferson Lions 58-53. Mill City's chief cause for losing was its weakness on the backboards. This was due greatly to the ankle injury in a previous game of Al Ward, Mill City's chief rebound grabber. Roy Chase, Mill City forward was the whole show for the game as far as scoring is concerned, making 32 points. In the other game Sublimity defeated Valselt.

Saturday night was the final night of the tournament. The Lions defeated Sublimity to win the district championship and a place in the state B tourney.
