Several grade school pupils are out of school with sore eyes. Their eyes seem to swell badly and it takes a few days for them to get over it. Does not appear to be the old fashioned "pinkeye" that used to infest the schools of earlier days.

Miss Maxine Scott is spending some time at home now. She was working near Silverton for some time. The people where she was employed have quite a large turkey farm. Maxine

For Prevention or Healing... CALL THE DOCTOR

"Johnny's sick!" The words strike fear in your heart, although your child's name may be Mary, Jane, or Bob. You put him to bed and call the doctor. You give him medicine and nurse him tenderly. It is easy to tell when your child is not well—physically, that is. And it is comparatively easy to provide whatever is necessary to heal him. But do you feel as much concern for his soul?

Perhaps you have not noticed symptoms of spiritual indisposition. Perhaps you have thoughtlessly disregarded his spiritual needs. Yet his body is only temporal. His soul will live on—and on—and on! Your Church is like a doctor—ready to heal illnesses of the spirit, but even more eager to prevent them.

Attend Church regularly with all your family for spiritual check-ups, just as you call on your family physician for physical care.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
